Hall opening creates new opportunities for learning

In this last fortnight we have enjoyed celebrating the official opening of St Dominic’s Hall and the Westbourne Park Community Centre. In both cases we were delighted to receive funding as part of the BER and the Local Schools Working Together initiatives respectively.

At the St Dom’s Hall opening I was particularly pleased to be able to inform our architect that his design is already proving to be very functional and capable of supporting a variety of different activities. Nicole’s account of the opening on Page 2, along with the many images of the student performances in the pages to follow, capture the essence of the occasion.

We were very fortunate to have Senator Don Farrell officially open both buildings on behalf of the Government. His connections with the Cabra community run deep with many of the women in his family who attended Cabra in years gone by. I particularly enjoyed the way in which he drew a comparison between his mother’s experiences of the Depression in the late 1920s with his mother’s experiences of the Depression in the late 1920s with the more recent GFC that triggered this extra spending on Australian schools as a means of stimulating the economy and providing a much-needed boost to school facilities across the country.

In recent days there has been plenty of debate in the media regarding the Government’s response to the Gonski Review. From my perspective it is heartening to see education the focus of so much attention. However, I must admit to being a little frustrated by the lack of depth of treatment regarding many of the important issues. They need intelligent and robust debate followed by purposeful action that improves educational opportunities for all children.

As the partisan rhetoric escalates I find myself hoping and praying that the wisdom underpinning the Gonski Report will not be lost in all of the political manoeuvring still to come. In the meantime we welcome the idea that most seem to agree on; that we have a responsibility to continue to develop our education systems, schools and teachers in order to provide all of our children with the skills and abilities they need to lead fulfilling lives, as active and responsible adults.

Congratulations to all of the students who are featured in some way in this edition of our newsletter. It is great to see so many of you embracing the many opportunities offered here at Cabra.

Best wishes for the two weeks ahead.

Brian Schumacher

Above (L to R): Cabra College Principal Brian Schumacher, with guests, Senator Don Farrell, Mr Terry Roberts, Mr Tony Siebert and Mr Marino Rossi attending the official opening of St Dominic’s Hall.
Our recent opening for our Building Education Revolution (BER) gave us a wonderful opportunity to reflect on our past to give thanks, yet also look to the future to imagine the possibilities. We gave thanks to the many courageous Sisters who left their homes in Ireland to shape and plan our College. While the Sisters had amazing vision and foresight, I am sure they would be incredibly amazed with the current College facilities that we enjoy 126 years after their initial opening. We had the pleasure of sharing this occasion with our invited guests including Senator Don Farrell, Monsignor Vicar Philip Marshall, Sr Bernadette Kiley O.P., Mr Tony Siebert, Chair of the Cabra Board of Directors, Mr Mike Angley, Deputy Chair, Cabra Board of Directors, Sisters of our Dominican congregation, Thomson Rossi Architects, Romaldi constructions, parents, staff and students.

The opening was a culmination of many years of planning, the efforts of a skilled team, the vision of many and the patience of our students and staff, both past and present. Our new facility will be used to house large community gatherings and promote our students’ growth in various Arts and Cultural experiences. Undoubtedly, we are fortunate, grateful and blessed.

Our foyer depicts the images of our current Year 7 students, as St Dominic’s Hall was built in their first year at the College. The images are individualized and each self portrait unveils a new layer of complexity as we are invited to reflect on our original interpretation. These images are vibrant, rich and vary greatly just as the many members of our community do. Each one is unique yet complements the adjoining vision and becomes so much more when they are represented in community. Buildings are of course soulless without the energy of people. While not wanting to wish the years away, we look forward to sensing the stories that, in time, will be painted in the hearts of many individuals who will engage in our new space.

The students were amazing in every sense. We were treated to a beautifully moving dance piece called “The Deer’s Cry” in our opening scene. Monsignor Vicar Philip Marshall led our liturgy where we were able to give thanks for this new building. Our musicians were just splendid as they led us in the National Anthem and our school song. The Year 11 students took us on a historical journey through various influences of Drama in different ages. Thank you to all of the teachers who helped to prepare these performances and all of our Year 7 students and leaders who are fine ambassadors for our college. It was also wonderful to share this occasion with some of our parents.

As we continue to seek new ways to recognise and reflect on our significant history, we are reminded that we belong to a story much bigger than the ‘here and now’ in our Dominican setting.
PARENT/STUDENT/TEACHER LEARNING REVIEWS

12 September 2012 2pm-8pm — Important Notice for Parents
Cabra is once again using the Edval PTN online system for the organisation of Learning Reviews in Week 9 of this term. Parents have been emailed information and booking codes to enable them to request interviews with teachers. Availability times can be entered along with the facility to ‘link’ your children so that the interview scheduled times should be more compact.

This needs to be completed before 9am Friday 7th September 2012 so the interviews times can be allocated and published later that day. Parents can then log back onto the website using the booking code to view/print their schedule and make possible changes.

Please note that the system will be LOCKED at 2pm on Monday (10/9/12) to enable teachers adequate time to prepare for the interviews. No changes can be made after this time.

If you have not received information about this event, please contact the Senior School or Middle School Offices as soon as possible.

If your child is not returning to Cabra College in 2013
(Except Year 12 Students)
Families are required to advise the Registrar in writing prior to:
Friday 21st September 2012
This is to avoid fees being charged for the following year.

Parents have been emailed information and booking codes to enable them to request interviews with teachers. Availability times can be entered along with the facility to ‘link’ your children so that the interview scheduled times should be more compact.

Junior Debating Report
Written By: Ms Jennifer Cross
Cabra’s Junior debating team (comprising Hannah Green, Claire Langsford, Helena Tran, and Emily Vonderwall, all from 6 Rust) had their final debate for the season last Tuesday and once again, Cabra was declared the victor. The topic for the debate was “That the Olympics are a waste of money”, with Cabra arguing for the affirmative.

Although the Year 8s from Seymour College made some good points about national pride, role models and benefit to industry, Cabra ultimately won out by highlighting the wasteful spending on unnecessary infrastructure and spectacle and by pointing out that the governments that bankroll the Olympics rarely get much money back from their investment.

With this victory, Cabra Juniors are now undefeated this season, having won every debate that they attended. Only one other school, St Peter’s Girls, shares this honour. Unfortunately, due to a forfeit in Round 2, Cabra is ineligible for finals. Nonetheless, this has been a stellar performance and bodes well for future success.

Congratulations to all the girls and special thanks to Mr Manning for his coaching and mentoring expertise!

COMMUNITY INFORMATION

2012 novita Mighty River Run
This will be the 6th West End Mighty River Run since its inception in 2007, raising $561,000 for children living with disability.

All money raised this year goes toward a new hydrotherapy pool and intensive rehabilitation complex planned for Novita’s Regency Park Centre in Adelaide.

Adam Fraser from Westbourne Park Auto Repairs has coordinated a team entry into this year’s Mighty River Run.

“We’re an everyday group of guys who love to have fun but are determined to raise at least $20,000 for Novita.

“We would love to receive donations of any size, which can be made through our team website at: www.everydayhero.com.au/realmccoys

“You will immediately receive a tax invoice and of course a big thank you from us. We are also looking for donations of gifts, or prizes, that we can raffle to raise funds. Donations can also be made in person to Westbourne Park Auto Repairs located at the rear entrance or Cabra College in Little Street.”

Do you want to play tennis this summer?

Archbishop Philip Wilson
and the Council for Ministry for Young People

Cabra Dominican College will be hosting a special evening with arch bishop Philip Wilson this Thursday from 7.30 - 9.30pm in St. Dominic’s Hall. The purpose of the evening is to continue shaping some key directions for the Church’s work with young people. If you would like to attend the evening please register your name by emailing Sara Moffatt: sarah.moffatt@cesa.catholic.edu.au

St. Mary’s Unit (SMU) Camp

The SMU staff and students have just attended a three day camp in the Adelaide Hills. They were excited about their ‘Unity Camp’ and had a very busy three days, with much on their program. The Camp is a combined initiative between Cabra College, Mt. Carmel College, Thomas More College and Cardijn College.

Certificate II in Driver Competence

If your son or daughter is interested in having formal driving lessons you could explore the option of enrolling them into the driver education program which is offered through the Allan Miller Driving School. The program is a Certificate II in Driver Competence and would enable the students who successfully complete the course to achieve a total of 25 SACE Credits (Stage 1). For more information you can contact the driving school directly on 8186 7200 or email: driving@allanmiller.com.au.

School Uniform

Thank you for your support in ensuring your child is wearing the winter uniform correctly and appropriately. This is a way that students signify to the community and are respectful of its traditions and culture. Parents and guardians have the opportunity to purchase or alter any items of clothing requiring attention.

Learning Review Meetings

On the 12th of September we will be conducting our Learning Review Meetings in Caleruega Hall between 2.00pm and 8.00pm. The meetings provide both students and parents/guardians with valuable personalized feedback in relation to establishing personal academic goals for students to strive for in the coming term.

Wisdom

The prayer I have included below invites us to be reflective and to value the ‘wisdom’ that comes to us in our lives through our education and our interactions with others.

St. Dominic always took his time to deliberate over any decisions he made. Even a theologian like St. Thomas Aquinas was always willing to accept new understandings in his life, even if they challenged his own opinions. In life there is always more to know and more to understand in our search for truth. I would like to dedicate this prayer to all of the Senior School students who will be entering into their final round of assessments over the coming weeks.

The Image of God’s Goodness

Wisdom shines bright and never fades: She is easily discerned by those who love her and by those who seek her she is found. She is quick to make herself known to those who desire knowledge of her...

For in Wisdom, there is a spirit intelligent and holy, unique in its kinds and yet made up of many parts; subtle, free, lucid, pure, clear, invulnerable, loving what is good, tender, tender, beneficent, kindly toward all, steadfast, unerring, untouched by worry, all-powerful, all-knowing and permeating all intelligent, pure and delicate spirits...

Like a fine mist she rises from the power of God, a pure effluence from the glory of the All-mighty. She is the illumination that streams from everlasting light, the flawless reflection of the active power of God and the image of God’s goodness.

Reflection on Peace Seminar

On the 28th of August, along with Andy Lam, Mhairi Madigan and Cara Davies, I was fortunate enough to participate in a seminar relating to the promotion of non-violence among young people. This was an incredible experience for me, and the real life story which was about violence and forgiveness, touched me deeply.

The seminar was presented by two men; the first to speak was a man called Azim Khamisa. In January 1995 Mr. Khamisa lost his only son, Tariq, as a result of gang violence. Tariq was completely innocent and unarmed in the situation; simply delivering Pizzas for his part-time job. A young boy of 14, Tony Hicks, was the murderer. He killed Tariq because an older Gang member of 18 years had asked Tony to shoot the pizza delivery man when he arrived. The 18 year old handed Tony a 9mm handgun and told Tony to shoot. Tariq died quickly and Tony, who was tried in court as adult, is currently serving a 25 to life sentence in prison.

This shocking and tragic story was told first by Mr. Khamisa and then told from the point of view of Ples Felix, Tony’s grandfather, who raised Tony. The most amazing thing to see was the incredible relationship that exists between Mr. Khamisa and Mr. Felix. They each described the other as one of their closest friends and this was obvious through the respect with which they spoke.

Their message is not one of anger or revenge, but instead emulates the finest of human qualities; forgiveness. Mr. Khamisa illustrated an astonishing ability to show mercy, saying that as soon as he was told what happened, he ‘saw victims on both sides of the gun’.

This seminar was a remarkable experience for me, and taught me so much about the ability of people to show love and amnesty to others. It also demonstrated to me how violence can destroy the lives of so many people, and how peace-making in our lives can help to build a better world for the future. I will leave you with a quote from Mr. Khamisa:

“Hate cannot destroy hate; only love can do that”

VISUAL ARTS
Written By: Mr Tony Antenucci
Cabra College Visual Arts Co-ordinator

Visual Art – Drawing Workshops
Gifted and Talented
South Australian Art Gallery – July 2012

The work of the students who attended the SA Art Gallery Drawing workshops was exhibited as part of South Australian Living Arts (SALA).

There were six awards available and twenty catholic and state sectors entered in the event.

Two of our talented students received awards; Regina Laurs – received the Highly Commended Award for her Self-portrait and Lily Foster Richardson – received a Highly Commended Award for her Life drawing.

Being only a little biased I thought that our student’s work was collectively competent and of an excellent standard. All of our students’ work showed great drawing skill and sensitivity to the subject being portrayed.

It was a proud night for participating students, including Madeline Grammatopolous, Zoe Eckermann, Lily Foster Richardson, Charlotte Coleman, Clare Murphy and Regina Laurs.

I hope to display the work at school when the exhibition concludes.

Congratulations to all the students.

New Art and Design Teacher.

It is with enthusiasm that we welcome Kate Lynn to the ‘Visual Art & Design’ faculty.

The previous teacher, Neil Cutting, has moved to China to work in an International School.

Neil has been a teacher at Cabra for many years working mainly in the ‘Visual Arts & Design Technology’ areas and we wish him well on his new venture.

Kate brings new life and skill to our Art Department. The students have welcomed her fresh, quiet manner and are responding with excellent works of art.

Kate is undertaking exciting new ventures and involving students in new forms of art making. One of these initiatives includes the creation of an installation piece with her Year 9 students; a piano embellished with Mosaic Designs. The year 11 SACE stage 1 class will explore the subject of Portraits, amongst other activities.

It all sounds very exciting and will provide skills and creativity challenges for the students.

We look forward to seeing the students complete these exciting projects and all the other creative and interesting work being produced by other classes.

Visual Arts Gifted & Talented Initiative

Once again students have opted for creating art beyond the classroom. Artist Debra Morley will be working with Middle School & Senior School students exploring Portraiture.

Debra’s own work varies from highly realistic to expressive, focusing on mark-making and colour. Her work is exciting and expressive offering many layers of meanings and is sure to inspire students in their own work. Debra’s work can be very controlled, focusing on visual and tonal realism or expressive, where gesture, and character are explored in more dynamic and expressive manner.

The workshops are now underway and are held after school in the Visual Art area.

They will run for four weeks, from Wk 6 – Wk 10.

Junior Workshop
Tuesday at 3.45pm – 5.15pm

Senior Workshop
Wednesday at 3.00 – 4.30pm

I look forward to some great self-portraits from some talented students.

The photos below are samples of work by the artist Debra Morley.
LIBRARIES UPDATE

Senior Library

We continue to review and revive our fiction and non-fiction collections in the Senior School Library.

We have added almost 1000 new titles to the Senior Library since the start of the year and continue to work with departments to best reflect the needs of our senior students. Recent large purchases have been made in the following areas: Religion, Maths, Psychology, English (particularly Shakespeare), LOTE (Japan, Italy, Ancient Rome) to name a few. We are always on the lookout for suggestions and recommendations from students and staff. You can email a suggestion, comment, or recommendation to me at: sbull@cabra.catholic.edu.au

or you are always welcome to come into the library and say hello.

Middle Library

National Year of Reading has certainly gained momentum over the year and it is encouraging to see how our students have embraced all of the activities we’ve challenged them to. We kicked off the year with ‘Get Caught Reading,’ where students had themselves photographed reading in unusual, unexpected places, followed closely by ‘Stories from the staff,’ which turned out so popular that we extended it for a few more weeks into term 2. More recently we hosted two very talented authors, who were extremely generous with autographing books and posters for us to use as prizes for our various library activities. All our Book Week activities were well attended and some of the dressing up particularly impressive.

Mr Bull managed to purchase a wonderful collection of classic stories such as Anne of Green Gables, Pinocchio, Huckleberry Finn, Journey to the Centre of the Earth, Call of the Wild and Black Beauty. In all there are over 30 titles all with an introduction in each by one of the popular authors of today such as Lauren Child, Darren Shan and Anthony Horowitz. Ms SB has showcased them in her book talks and pleasingly they have been borrowed by the students who are keen to expand their genre knowledge.

At the moment we are finishing off entering our Premiers Reading Challenge forms. Congratulations to everyone completed the reading lists this year. Next term we will be hosting a morning tea where we will hand out the awards. Stay tuned for more details.

SAPSASA GIRLS BASKETBALL

The Girls SAPSASA Basketball Team are to be congratulated on making the finals! The minor round of games was played on Wednesday 8th August at the Marion Basketball Stadium. The team of Year 6 and Year 7 students were successful in winning all six of their minor round games throughout the day, with Edwardstown Primary School their main rivals. As the winner of Pool A, the Cabra SAPSASA team were to match up against the winner of Pool B, St Francis de Sales College, in their seventh match of the day.

Assistant Coach, Grace Clark, described this last game as, “very tense, as the lead changed several times”. High flyers from the Cabra team included ‘E-team’ Erina Marafoti, Ella Sawyer and Ella Grisi. Left hander Sophie Aneor turned out to be Cabra’s secret weapon causing advantageous delay in the defence of her opponents.

Catch cries that could be heard, loud and clear, from Coach Dean Nyberg were “Spread Out!” , “3 point line!” and “HOME!” . This helped to lift the team, as did the constant cheering of our parents and scorer Mr Rob Jarrad, although Cabra’s main cheer squad were the girls themselves.

All team members played terrific supporting roles of one another, both on and off the court. The overall result can be attributed to the team effort of all players including Liz Mannering, Emma and Rebecca Gaitaneris, Natassia Messent, Sasha Taverna and Abishai White.

Tactical coaching by Nyberg secured the win for Cabra in the final game of the day with some very cleverly timed double teaming of particular St Francis players.

The Cabra SAPSASA team are looking forward to the finals to be played on Thursday 13th September at Pasadena Stadium.
Thank You Coaches!
On Thursday 23rd August we took the opportunity to thank our sport coaches, many of them parents, staff and even a few students. Their time and commitment to the sport program throughout the season is greatly appreciated.
Without these coaches, our sport program would not be the success it is today and our teams would not be able to take part in the competition. We sincerely thank them all for their time and effort.

Sport Awards
Coaches will be attending the sport awards in Term 4, where they will present each team with an MVP and Coach’s Award for dedication and performance throughout the season. Parents and caregivers are most welcome to attend these presentations.

MS Sport Awards Evening (Year 6 to 9)
5th November
Yr 6/7 awards from 6.30pm
Yr 8/9 awards from 7.00pm

SS Sport Awards (Yr 10-12)
Will be presented at the final college assembly for the year on Thursday 18th October from 9.30am (Week 2).

Open Boys KO Soccer
Written by: Mr Joel Morizzi
Cabra def Cardijn 10-2
Goals: Valentino Yuel (5), Tom Cusack (2), Sam Nuzzo (1), Khaj Robinson (1), Mitchell Johnston (1).
Well done to Open Boys KO Soccer team who have qualified for the finals for Secondary Schools Sport Pool B. The boys faced Cardijn in their last round game, defeating them 10-2. The game started in excellent fashion for Cabra with two early goals, from long throw-ins by Linus Johnston. Cabra didn’t have the game all their own way, with Cardijn hitting back hard and scoring a few goals before half time. The score was 3-2 in Cabra’s favour leading into a tight second half, where both sides struggled for scoring opportunities. Cabra finally got a goal on the board and the flood gates opened with goal after goal – with seven goals scored in twenty minutes. The boys put in a solid effort to produce a good win. Valentino Yuel scored five which now gives him a tally of 14 in 4 games. Sam Tortorella was man of the match with his tough, solid effort in defence. The boys will play in the finals on Tuesday, Week 10 at Burton Park.

U15 Lacrosse State Teams

Congratulations to Hayley-Marie Fuss, Bianca Disotto, Isabella Dal Zotto, Sheriden Bartlett and Carmela Soltis for being selected to represent the U15 Girls State Lacrosse Team; most of the girls have only been playing for one year!
