All children deserve a great education

Interviewing younger children for enrolment is always rewarding. They are filled with hope and are genuinely excited about the many different opportunities that lie ahead at school. On the whole they enjoy most things about school and look forward to the challenge of learning new skills. Regardless of their particular strengths and weaknesses, they are confident that they will be successful learners. Listening to them speak, one cannot help wishing we could bottle their enthusiasm and confidence for the years ahead when that confidence may fade from time to time as they negotiate adolescence.

As parents, teachers, grandparents and friends we each have a role to play in supporting our young people in times of success when their confidence is high and more importantly at other times when they feel less successful and their confidence wanes. I like the following quote because it reminds me of how fortunate we are to be created by a loving God who has great plans for each of us. It came to the attention of the world on the lips of Nelson Mandela in his inaugural speech as President of The Republic of South Africa.

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light not our darkness that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented, and fabulous? Actually, who are you to feel insecure around you. We were born to make manifest the glory of God that is within us. It’s not just in some of us, it’s in everyone. As we let our light shine, we unconsciously give other people permission to do the same. As we are liberated from our fear, our presence automatically liberates others.”

I believe this to be true and that we all have a responsibility to encourage each other to let our light shine for the good of everyone. Hopefully this is true at Cabra in our personal interactions, lessons, meetings, assemblies and publications throughout the year.

Funding for Catholic Education

With the constant news articles following the release of the Gonski Review it can be very difficult to make sense of the various arguments. Generally speaking we in the Catholic sector have tried not to use forums like this to respond to government initiatives. However, we have much to be concerned about when it comes to the deals being struck between the federal and State governments. A couple of points for you to consider:

Catholic schools are great value for money producing excellent results across all measures at significantly lower (total) costs than other sectors. Despite this, the South Australian government has underfunded Catholic schools for years, which means that our parents pay more for Catholic education than they should have to.

As parents and teachers committed to Catholic education we need to do more to influence the politicians who are responsible for responding equitably to the needs of their constituents regardless of which educational sector we choose for our children.

The following link will take you to the Federation of Catholic School Parent Communities website where the issues are elaborated in more detail.

Federation of Catholic School Parent Communities website

As we approach the midway point of our academic year let us hope that our voices will be heard and that all parents will be supported in their right to choose the school that best meets the educational needs of their children.

Brian Schumacher
STUDENT SAFETY ALERT

Recently at another college in our area, a man posing as a Taxi Driver, in a white Toyota sedan with a Taxi sign, approached a Year 10 student pretending his mother had been in an accident and had sent a taxi to collect him. Thankfully the student did not believe him and ran back into the school yard. There have been other similarly disturbing incidents reported in our area.

Police have issued the following statement as a guide for parents:

“Students and families are reminded to be wary of approaches from strangers, especially when they are unaccompanied or travelling to and from school. If they are approached students should not respond and should not accept offers of rides or gifts. Students should seek the assistance of other nearby adults if they feel unsafe and should report the event to a trusted adult (parent or school staff member) as soon as possible. SAPOL advises that taking out a mobile phone and calling police can deter the offender and they recommend the student makes a formal report to their closest police station.”

FUNDRAISING RAFFLE

Senior School Leaders will be launching a fundraising raffle this week.

A signed copy of Delta Goodrem’s CD ‘Child of the Universe’ is the raffle prize.

Proceeds will go to support the work of Dominican sister, Sr Sheila Flynn, and her work with the Kopanang community in South Africa, helping the HIV/AIDS affected women become self-sufficient and running a school for orphans and HIV/AIDS affected children.

Tickets are $1 each.

Your support would be greatly appreciated.

Elizabeth Mann: Teacher
FROM THE UNIFORM SHOP

New Style Track Pants Available
Child, Youth, Unisex and Ladies sizes available. $55.00 each.

Uniform Shop
Term 2 Opening Hours

TERM 2, 2013:
Monday: 8:30am to 5.30pm
Wednesday: 8:30am to 5.30pm
Friday: 8:15am to 3.45pm

TERM 2 School Holidays:
Please note the Uniform Shop will be open on the following days during the Term 2 school holidays:
Wednesday 17th July: 10.00am to 5.00pm
Thursday 18th July: 10.00am to 5.00pm

Entrance via Little St
Phone: 8179 2461
Email: uniform@cabra.catholic.edu.au

BOOKROOM PAYMENTS

Payments to the College
We ask that when making payments to the college, either for school fees, sport fees, excursions, trip deposits or music fees — that payments are made individually to the respective areas — i.e. “Cashier”, “Bookroom” or “Uniform shop”. We cannot accept consolidated payments for multiple service areas, as we are separate entities within the College and have individual banking reconciliations.

Thank you for your understanding.

School Fees – Cashier at Main Reception
We accept payment by cash, eftpos, credit card or cheque (credit card payments can also be made by phone).
We also offer EFT or BPay - this method of payment must be arranged with our Accounts Dept.

Overseas Trip payments, Music fees (Not Tutor), Excursion and CLW fees if applicable – Book room
Must be paid as a separate transaction to the Bookroom, and can be paid by cash, eftpos, credit card or cheque (credit card payments can also be made by phone).

Sports Fees – Uniform shop
Must be paid as a separate transaction to the Uniform Shop and can be paid by cash, eftpos, credit card or cheque (credit card payments can also be made by phone).

We apologise and understand this may be inconvenient for some but it is the most practical way for this to be done at present. We thank you for your assistance with this matter.

COMMUNITY NOTICES

The services and events contained in this newsletter are in no way connected with the school and are included for your information only. Parents and caregivers need to make their own enquiries and assessments about the suitability of these events and services for their needs and those of their children.

SAFE PARTYING FORUM
Are you planning to host a party this year? Attend one of the Mitcham City Council’s free seminars for Drug Action Week and learn how to be ‘Party Wise’. Presenters from Sammy D Foundation and representatives from SAPOL, SA Ambulance, and Drug Arm will explain to teenagers, parents and community groups your rights, risks and responsibilities when hosting a party. The free forums will be held at:
Where: Blackwood Football Club, Trevor Terrace, Blackwood
When: Tuesday 25 June
Time: 6.30 pm to 8.30 pm
Contact: 0402 097 389
This event is jointly funded by the City of Mitcham and the Blackwood Football Club.

PALMS AUSTRALIA
INFORMATION SESSION
Palms Australia is a Catholic organisation that has been sending volunteers to developing countries for over 50 years. Palms global volunteers mentor and exchange skills in countries across Asia, Africa and the Pacific. Positions exist in education, health, administration, agriculture/farming, trades and other areas. Learn more at our info session and get prepared for a 2014 placement.

When: Saturday June 29th, 12.00 Noon
Where: Hutt St Library Conference Room, 293 Hutt St, Adelaide
Contact: Sarah Torcasio: 02 9518 9551

(Week 8, Term 2)  Friday 21st June 2013 — 3
We had the opportunity to work together at our recent Cyber safety presentations earlier in the week. Changes in social networking over the past few years have meant that there have been rapid times of learning for our young people and the adults in their lives. Just when we worked out email, other forms of social communication including LinkedIn, Tumblr, Instagram, Twitter and Facebook came into play. Today in Australia:

- 1 in 2 people have Facebook,
- 10 million photos are uploaded to Facebook every hour worldwide,
- 62% of people grab their smartphone on waking, and
- 1 out of 6 minutes online are spent on social media.

At Cabra Dominic College, we are committed to exploring our responsibilities as moral and ethical users of technology. Although we do not use these specific tools in the classroom, we use many similar tools such as Edmodo, Wikispaces and online learning tools to meet the needs of our students living in the 21st century.

Our students are encouraged to discuss, explore and debate various viewpoints whilst being aware of how these digital messages may be perceived. We are living in a great time of change and we continue to investigate how we develop digital learning skills for all our students.

We know that much of this learning, discussion and debate occurs well beyond the classroom. We can use these tools to explore the ethics of the responsible use of digital technology whilst developing their skills and understanding in many curriculum areas. We are fortunate that our students are involved in constant self-reflection and making connections about what it means to be a responsible community member. Although there are times when some students may need reminders about their digital footprint or how online comments may affect others, we are pleased with the increasing self-awareness.

Many of our staff have been involved in innovative and cutting edge long term programs as part of the Australian Government Quality Teaching Program (AGQTP) over the past few years. These research projects allow us to continually evaluate what we teach, how we teach it and the implications for our contemporary setting and life beyond Cabra. We are excited by the possibilities that our evolving world provides and look forward to continuing this learning journey together.

Nature Education Centre

Last week the Nature Education Centre visited Cabra with a selection of Australian animals for the Year 6 students to see and touch. The Year 6 classes are investigating Australian Threatened and Endangered Species in their Science classes this term. It was a wonderful experience to hear about the work the Nature Education Centre is doing to look after our wildlife.

Here are a few comments from our students,

- “I loved the visit and it has inspired me to do my best to look after our endangered species.” - Connor J 6B
- “It was so interesting! We could pat the animals and feed them.” - Ebony 6B
- “NEC was great for me. I love animals, the snake especially, because it wrapped its tail around my fingers!” - Jai 6B
- “It was so nice to see the animals close up. I especially like the sugar glider and the snake called Thor.” - Isaiah 6B

Year 8 Science Field Trip

Q: What mineral is used to date the age of the Earth?
A: Zircon.
Q: What mineral is the most abundant on Earth?
A: Labradorite (a major component of basalt, which makes up the oceanic crust).
Q: What mineral looks like but isn’t gold?
A: Pyrite

BY went on a field trip for Science to investigate rocks and minerals. Professor Hand from the University of Adelaide gave a tour of the Tate Mineral Museum where students looked at fluorescent minerals, precious gemstones, dangerous minerals like cinnabar and asbestos and heavy iron meteorites. Students also toured the Adelaide Microscopy facilities which included looking through a Scanning Electron Microscope at minerals and playing with a $1 million Transmission Electron Microscope. Students then went on a walking tour of North Terrace and identified the local stone such as marble, granite and limestone that make up many of the old buildings.

Cabra Dominic College Newsletter
Marcelle Bernard’s SPEAK EASY

Inspiring Self Esteem, Confidence & Leadership in our Youth (Years 2-12)

Last Tuesday one of Australia’s top female speakers, Marcelle Bernard delivered, to all Year 6 and 7 students, a lively and interactive presentation that was both informative and entertaining. She displayed her passion for giving students the tools to build their own self-esteem and confidence, Marcelle has educated and entertained over 352,000 students from Yr 2 to 12 and 15,000 adults since 1996.

Here are some of our students’ thoughts about her presentation:

- Emily 6G: I thought Marcelle was really funny and really energetic, the things she said were really useful too!
- Piper 6G: I thought Marcelle really helped me.
- Chole 6G: I thought Marcelle was great in her presentation. She really did help me in understanding public speaking.
- Lara 6B: Marcelle was very good. She made me feel brave.
- Claudia 6B: Marcelle was really inspiring!
- Isabella 6B: She was a great public speaker, she really inspired me!
- Francesca 6B: She inspired me to speak in front of people.
- Aislin 6B: She proved to me it can be easy to speak in front of people, you just have to practise.
- Leah 6B: I want to be a public speaker even more than ever!

Altitude Day

On Wednesday the 6th of June, four middle school leaders were given the opportunity to take part in a workshop by yLead called ‘Altitude Day’. The four chosen leaders included Annie Fairlie, Patrick Fairlie, Will Kenneally and myself, Anais Stephens. We were taken to the Convention Centre, and introduced to over 200 other year nines from various schools.

The day was about personal growth and leadership development for year nines wanting to reach their full potential. Guest speakers came to talk about how they had become successful and achieved their goals, which was very inspiring.

The day encouraged us to be inspired, reach our dreams, unlock potential and empower ourselves and other possible leaders! I truly think that the day was worthwhile and proved a great confidence boost to many of the year nines. We did some pretty interesting activities and had great fun! Thanks Mr. Zandona!

An important aspect of the Art process is to exhibit the work on completion. In the same way a musician performs to an audience, a visual artist strives to express and inspire others. Our students’ artwork has been exhibited throughout the Cabra environment. There have been enthusiastic reactions to the additions to these work areas. Keep an eye out for these works:

- Year 10 Art, Still Life Pastel drawings in the Administration building
- Year 10 Art/Design computing, Dadaist photomontages in the Senior School library
- Year 8 and 9 ceramic sculptures in the Middle School library
- Year 10 ADC kiosk designs in the Middle School office
- Year 8 linear landscapes in the Middle School Office
- Year 9 (2012) piano installed and ready to play in St. Dominic’s by the end of term
- Year 9 Art/Design computing digital portraits in Aquinas 8
- And the paintings, prints and sculpture which always grace the Fra Angelico Art centre hallway.

By: Antonine Stagg
‘Cyber Safety’

Information Evening

Across the College we have been focussing on Cyber Safety initiatives and presentations which have provided students with a variety of very useful tools in relation to the safe and ethical use of the broad range of online social media tools at the disposal of the students.

The legal implications associated with an individual’s online profile along with the protective behaviours which the students need to engage in order to be safe online were covered in the Year 10 presentation given by an Officer from the Sturt Police.

The students found the information session extremely useful as it provided them with a clear set of guidelines that they will be able to practically apply in their day to day online activities as digital natives.

Michael Carr-Gregg’s book ‘Real Wired Child’ is a valuable resource for parents/caregivers as it covers a broad range of issues which assist parents/caregivers in bridging the digital generation gap.

Below I have summarised six key points from his book:

• Remember – wherever possible try to avoid placing your personal details online.
• Ensure that you do not meet up with people you have made acquaintances with online.
• Never share your password with others.
• Be mindful of what you say to people online – i.e. not defaming others.
• Do not respond to offensive or inappropriate emails.
• Access to online time at home needs to be clearly agreed upon amongst the family.

LIBRARY NEWS

Senior Library News

Books – What’s not to like?

As a school librarian it is clearly in my interest to sing the praises of books and reading. I will do that here and make no apologies for it. However, there is ample evidence to back up the claim that reading in and of itself, for pleasure, (pretty much any type of text), will improve your intellect and have a positive effect on test scores and attainment in many unrelated subjects. There are several exhaustive studies to show that using libraries and reading independently and engagement in the arts generally, has significant spinoff benefits for students. These include higher reading proficiency, greater empathy for others and even higher levels of self-esteem.

Click here to see a sample of one such study: Cultural Learning Alliance Study

Reading is one thing. Remembering what you’ve read and what you might want to read next is quite another. I have found an excellent website to help you keep track of what you read and what’s on your “to read” shelf. You can also read and write reviews of books, star rate them and share your thoughts with other readers.

The site is: www.goodreads.com

New Acquisitions

Click on the link below to access a list of all new resources added to the Cabra Library Collections so far in Term 2. You will notice over 600 new books listed, dozens of new DVDs and even eBooks and periodicals. Check the whole list out here: List of new books

You might also pay a visit to our ever-expanding ‘Reading Page’ on the Senior Library Blog: Senior Library Blog

Read what you like. Like what you read.
Senior Performance evenings

Yr 10, Stage 1 & 2 Performance evenings over the last fortnight were a great success. It was impressive to see the development of some of the younger musicians coming through our programme and at the same time the outstanding polished performances of our senior students. Congratulations to all involved and thank you to all parents and staff who supported the evening performances.

Choral Divisions Eisteddfod

On Tuesday evening the Concert Choir and Large Vocal Jazz Ensemble competed in the Adelaide Choral Eisteddfods. Elder Hall was filled with the lovely sounds of singing from various choirs throughout the Adelaide region. Congratulations to our Vocal Jazz Ensemble who came 3rd in the Open Age Pop/Jazz Choral section, and to our Concert Choir, who were given an honourable mention in the Small Choirs Open Age section. Congratulations also to Saz Burton, Renee Donaghey and Alex Wignall for their work with these choirs.

Mid-Year Music Concert

- Cabra Music Department

This Saturday night is the Mid-Year Music Concert in St Dom’s Hall from 7pm – 8.30pm. Our special guest performers for the evening are Alex Wignall and Zac Zebrowski. Alex is an old scholar who has been accompanying our choirs since he was in Yr 10. He is leaving for America in August to start his Masters in Jazz Performance at the Jacobs School of Music, Bloomington Indiana.

Zac is a visiting student from the USA. He is a highly accomplished pianist who has gained a scholarship to study in Berklee, New York later this year. In 2012, his family were most welcoming when hosting Cabra students during the USA music trip.

Participating ensembles will include:
- Middle School Band
- Jazz Train
- Jazz Band
- Large Vocal Jazz Choir
- Senior Rock Band
- Stage Band
- Revelation
- Senior Drum Corps

Reminder: Set up and sound checks are on Saturday, starting at 1.00pm. All performers must be in St Dom’s Hall 10 minutes before their scheduled sound check time. See below for their allocated times.

1.00pm: Revelation and Jazz Train
2.30pm: Jazz Band
3.00pm: Senior Rock Band
3.30pm: Stage Band
4.00pm: Middle School Band
4.30pm: Senior Drum Corps

Entry - Gold Coin Donation.

Winter Chamber Concert

This is a great opportunity for the Cabra community to come and enjoy our small ensembles perform in the ambiance of our school Chapel. Ensembles performing are:
- Concert Choir
- Cabra Chorus
- Flute Ensemble
- Clarinet Ensemble
- String Ensemble
- Guitar Ensemble
- Brass Ensemble

The concert commences at 2.00pm. It promises to be an enjoyable afternoon of music.

For enquires please contact the music department, phone 8179 2406 or email: sheaslip@cabra.catholic.edu.au

MUSIC EVENTS – Term 2

Sat 22nd June: Mid-Year Music Concert: 7pm-8.30pm
Thu 27th June: Principal’s Tour – Brass Ensemble
Thu 27th June: Catholic Schools Music Festival Support Act Auditions 12pm-1pm
Sun 30th June: Winter Chamber Concert – Small Ensembles

Cabra DominiCan College Newsletter
Gemma Roberts
Music DIRECTOR

MUSIC NEWS
Unfortunately this is a primary carnival with an U10 age group included as well. With Cabra Dominican College not having U10 boys or girls it is always a challenging task to bring home the overall shields, but with great pleasure I am pleased to announce that we came third overall in the carnival. An excellent achievement by all students!

The boys finished second overall and the girls finished third overall. Cabra was also very lucky to win the pennant for the ‘Open girls age group champions’ and ‘U11 boys age group champions’. A special mention also needs to go to Gabrielle Maxwell who won the ‘Open girls’ individual aged championship medal’.

Gabrielle, a very talented athlete, ran in the 100m, 200m, 800m and the open 4x100m relay and received 1st place in all her events.

Thank you to all year 6/7 students who participated; to our four middle school students Callan Kudra-Harding, Daniel Moriarty, Jalen Croxton and Angus Rodman who were officials all day and to Mr Lyndon Parry, Mr Michael O’Dea and Mr Rob Jarrad for their organisation before the event. Another very successful and enjoyable day in the Cabra Dominican College sport calendar.
On Thursday 6th June Cabra hosted Round 1 of the Year 8/9 Knockout Netball competition, welcoming opponents from Gleeson College, Christies Beach High School and St Mary’s College.

The Cabra girls had a great start against their first opponents, Christies Beach. Isabelle Beinke and Cloe Westhoff combined well to create an early lead of 13 goals by half time, with Sarah Badaoui demonstrating her natural flair down the court. Coming on at halftime, Tess Clements and Sophie O’Daniel were a solid wall of defence, picking off numerous intercepts to give the Cabra girls plenty of scoring opportunities.

Final score: Cabra 32 defeated Christies Beach 7.

The second game was always going to be a tough one, against long term rivals St Mary’s College. Unfortunately the opposition got out to a handy lead early on, with their consistently accurate shooters and solid defence difficult to break. Cabra came out firing after quarter time and managed to minimise some of St Mary’s opportunities. Mid-courters Isabelle Tucker, Zoe Mills and Annie Fairlie strengthened in their attack, and helped bring the margin back down.

Final score: St Mary’s 29 defeated Cabra 25.

Finally Cabra took on Gleeson in the final game for the day. After Gleeson lost to St Mary’s by a single goal, the girls knew it would be another tough game to contest. To Cabra’s credit, they came out firing in all areas of the court, and managed to take an early lead of 9 goals by half time. Mid-courter Isabelle Downing combined effectively with Annie Fairlie and Carly Payne to further strengthen the lead going into the final break. In a final change, Tess Clements came on in the goals and gave Cabra a great amount of height and accuracy.

Final score: Cabra 35 defeated Gleeson 11.

A wonderful day of strongly contested netball saw Cabra very well represented by the Year 8/9 cohort. A big thank you to Lucy Jarrad for all his work with senior basketball this year.

Senior Basketball

Basketball has always been a strong sport at Cabra. Last year our Year 10 Knock Out team were State Champions, the year before our Open Knock Out team did exceptionally well at Nationals. With some of our best players deciding to play in the First XVIII Football team we were unsure whether we would have the numbers for one senior team. However, this year we have two senior basketball teams, Cabra A and Cabra B.

Cabra A, coached by old scholar Grace Clark, is mostly made up of Year 11 and 12 students. They have had a great start to the season, undefeated in their first four games.

Cabra B, nicknamed ‘The Internationals’ consists of three Cabra students and six Kyoto Bunko students; Rentaro Chikazawa, Yusuke Kobayashi, Tatsuya Moriguchi, Terunobu Nakamoto, Takeyuki Sugemura, Yusuke Suzuki.

Final score: Cabra 32 defeated Christies Beach 7.

Final score: St Mary’s 29 defeated Cabra 25.

Final score: Cabra 35 defeated Gleeson 11.

These students are extremely dedicated basketballers, you have probably seen them practising after school. It is quite rewarding to see them on the court with our Cabra students, a great display of our inclusive community. So far this year the boys are 3-1. Thank you to Rob Jarrad for all his work with senior basketball this year.

Junior Basketball

Having a large number of boys wanting to play, we have fielded A, B, and C grade teams. State U16 Coach Dean Nyberg takes all three teams. After a fantastic year in 2012 our junior basketball teams are again tasting success. Cabra A, consisting solely of district basketball players, is undefeated so far this year and we expect big things from this group for years to come. Although our B’s have been unlucky and lost two close games, they are improving each week and working well together. Cabra C are also undefeated this year, displaying our depth of basketball talent.

This year we hope for continued success, development of our junior players and most of all that our students have fun playing basketball! Thank you to all the parents who have shown their support so far this year.

By: Mr Ben Heath, Boys Basketball Coordinator

Sports News

CONGRATULATIONS

2013 SA Catholic School Netball Squad

Congratulations to Maggie Kerr (11G) and Saraid Kustermann (10G) for being selected to represent the Open Squad in the upcoming Australasian Catholic Netball Championships in September. Please congratulate them as they were selected out of over 40 very talented students trialling in each age group this year. The squads will now train for the next three weeks and then a final team of 12 players and four reserves will be selected to compete.
