Another rewarding term comes to an end

Family Survey
Thank you for your feedback to our 2014 timetable proposal. To date we have received over two hundred replies representing about twenty five per cent of families at the college. While it is too early to tell what the final outcome will be, the volume and quality of responses says a great deal about the strength of the partnership between families and staff at Cabra. I am particularly grateful that so many families took the time to reflect upon the potential impact of the changes and then made additional comments through the survey tool. Consequently, we are better able to understand the potential effects of this proposal on families and we will be giving each of your comments careful consideration when deciding on the final model. It is wonderful to know that we enjoy the support of our families and that people feel free to share not only their support for particular projects but also their concerns and suggestions for better alternatives.

Acting Deputy Principal
Term 3
You may remember from an earlier edition of the Newsletter that I will be taking leave for Term 3 and during that time Mrs Margie Barrachina will be the Acting Principal. After many weeks of recruiting, it gives me great pleasure to announce that Mr Jason Thur will be joining our community in Term 3 as Acting Deputy Principal.

Jason is currently the Director of Students at St Michael’s College where he has just completed two very successful terms as the Acting Deputy Principal. Prior to that Jason undertook a number of senior roles at Sacred Heart College Middle School. Therefore, Jason brings a wealth of experience to our Leadership Team and to the College for Term 3. During that time he will be working across the Senior and Middle Schools supporting the other leaders in curriculum and pastoral matters.

Our new tracksuits have arrived
After a lengthy design process involving students, parents and staff members our new tracksuits are ready for purchase from the Uniform Shop. With classic styling and a number of improvements to the design we hope that students find the new garments comfortable, warm and very easy to wear. I would like to take this opportunity to thank all of those who have been involved in this project. I am sure that your contributions will be enjoyed by many students in the years ahead.

Congratulations!
Congratulations to all of our students for your efforts throughout Term 2. It has been busy, exciting, challenging and also great fun. The changeover to Semester 2 has gone very smoothly and it has been very pleasing to see everyone working diligently right through to the end of term. As we look forward to a change in routine for the next two weeks I hope you get to spend more time with those you love enjoying some of the activities that are not possible during term.

Best wishes for the holidays.

Brian Schumacher

CASTING CALL – LOOKING FOR A GIRL 9-11 YRS TO STAR IN MOVIE

We are casting the feature film TOUCH which is a South Australian Film Corporation Film Lab initiative. TOUCH is a compelling drama that centres around a Mother and her 10 year old daughter Steph. They are both on the run. We are searching for a young girl to play the lead role of Steph. Story wise she is 10 years old, Caucasian. She can be playful & defiant, sometimes very much a child and sometimes very much an old soul, who is reflective & deep. A lot of the mood of the film is delivered in Steph’s more silent moments. We are looking for a thoughtful, bright, intelligent young girl, an innocent. Through her eyes we connect with a soulful internal world.

Parents of any suitable candidates are advised to send a headshot of their child asap to: admin@heesomcasting.com

MARRY MACKILLOP CENTRE ADELAIDE
JULY EVENTS, COME JOIN US!
Honouring St Mary MacKillop
● Monday, July 8th
A quiet stroll with God...
● Monday, July 29th
For more information about any of the above or future programmes call us on 8130 5900 or email: infosa@sosj.org.au

CHILDREN’S CUPCAKE FUN CLASS
Let the little cake decorator emerge in a 2hr fun-filled session on the how-to’s of decorating cupcakes. Each child will take home a cupcake box containing 6 decorated cupcakes along with a complimentary cake decorating book. Everything your child needs will be provided.

Suitable for children ten years and over.
COST: $30 (2 hour session)
WHERE: Baldocks, 83 Queen St, Adelaide
WHEN: Tue 9 July 10.am – 12 noon
Thu 9 July 10.am – 12 noon
Thu 9 July 10.am – 12 noon
Thu 9 July 10.am – 12 noon
Thu 9 July 10.am – 12 noon

To book or for more information please call Baldocks on 8223 2099 or email: sales@baldocks.com.au

609 SQUADRON
– AUSTRALIAN AIR FORCE CADETS
RECRUIT INFORMATION NIGHT
● Friday, August 2nd at 7:30pm
Warradale Barracks, Oaksland Rd, Warradale
For information call us on 0417 813 362 or email: co.609sqn@aafc.org.au

ABSENT FROM SCHOOL?
Please notify the school...

If your child or children will be absent from school, parents and guardians are required to notify the college.

Option 1: Leave a phone message:
Call: 8179 2477
After the message tone, please leave the following information:
Child’s name
Home Class
Reason
(Family, Unwell, Holiday)
Your Name
(Parent or Guardian)

Option 2: Send a TEXT message:
TEXT Msg: 0427 767 937
In the text message, please leave the following information:
Child’s name
Home Class
Reason
(Family, Unwell, Holiday)
Your Name
(Parent or Guardian)

STUDENT SAFETY ALERT
As recently reported, there have been disturbing incidents in our area with strangers approaching students. All students are reminded by the school and the police to be cautious at all times, and to report any incidents to the police.

Cabra Term Dates for 2013
Term 1: Wednesday 30 January – Friday 12 April
Term 2: Tuesday 30 April – Friday 5 July
Term 3: Tuesday 23 July – Friday 27 September
Term 4: Monday 14 October – Wednesday 4 December

COMMUNITY NOTICES

The services and events contained in this newsletter are in no way connected with the school and are included for your information only. Parents and caregivers need to make their own enquiries and assessments about the suitability of these events and services for their children's needs and those of their children.

Keep Pedestrians and Cyclists Safe
Many students continue to be dropped off in NO STANDING zones in Eaton Street and in the BIKE LANE /SCHOOL BUS area on Cross Road. The Unley Council will impose fines based on photographs of your vehicle in these locations.

We ask that you please do not drop students off in these zones.

Offenders are placing pedestrians, students and cyclists at risk on these busy roads.

Try leaving a few minutes early so your child can be dropped off safely within the designated drop-off area.

We look forward to your support in this important safety matter.

Please write ‘Steph’ in the subject header and ensure you include with the photo your child’s height and a parental contact number.

Time for Review

The year is racing by. At this time of year our students are well connected with their peers and have experienced many new subjects and/or opportunities. The students have commenced their new subjects for Semester 2 and you will receive their Semester 1 reports with this newsletter. Schools are amazing places where we are often given an opportunity to start afresh and set new goals. Our subjects are Semester based, so as parents and students, you can review what has gone well in the first half of the year and use this information to reset plans for the remainder of the year. As you review the report, use this opportunity to open up new conversations. Ask your son/daughter:

- What are you most proud of?
- Are there any surprises here?
- What new plans can we make for Semester 2?
- What other supports will assist you?

Our students will be involved in subject selections during Term 3, so by reflecting on Semester 1 we can see the areas of strength and possible improvements. A Parent Information session will provide further detail and we encourage all families to add those dates into your diaries.

May you have a restful and relaxing mid year break. We look forward to seeing the students on Tuesday 23rd July.

Yr 6 Jump Rope for Heart Jump Off!

On Wednesday 26th June we had our Jump Rope for Heart Jump Off! All the Year 6 students participated in this event. Jump Rope for Heart was a fun and fantastic way to raise money for the heart foundation.

- We had great fun skipping at the same time. - Daniella 6G
- I was in Lido and Luke’s group. We tried the tricks on the posters, but I could only do one! The music to skip to was a great addition. - Alex 6G
- I found the Jump Rope for Heart really energising and fun. I really liked how they started this program so it can save hundreds of lives. Can’t wait until next year’s Jump Off! - Sam 6G
- I skipped with the long rope, I ran through, in and out and I played games with my friends. - Sophie 6G
- For Jump Rope we jumped for 40 minutes non-stop! I think it was really fun because we could do anything we wanted, as long as we were jumping! - Alex 6G
- I really enjoyed it, because I love PE, it was like having a PE lesson but doing heaps of jumping! - Holly 6G
- I think I have never skipped so much in my life! It was really tiring but it was lots of fun. I got to try out more tricks and I improved a lot in my skipping. - Emily 6G
- I liked Jump Rope for Heart because I got to try new tricks and skip with my friends. - Chloe 6G

Our Carbon Footprint

In SOSE we have been learning about Global Warming and our Carbon Footprint. We have learnt how we can save the Earth. We went online and completed a Carbon Footprint quiz. It asked us about our electricity use, food we consume and also transport. It gave us a report, explaining how many earths it would take to sustain us if everyone lived the way we did. Brooklyn used 1.6 Earths and Fran used 1.7. These were some of the lowest amount in the class; the highest result was 11 Earths!

We then blew up black balloons to display in the classroom that represented our Carbon Footprint; we used 1 balloon per tonne of carbon used. The average in the class was 4 balloons which meant we use about 4 tonnes of carbon to sustain our way of living.

A few ways you can reduce your Carbon Footprint:

- Turn off the lights when not needed
- Have meat free days each week
- Ride your bike or walk instead of using the car for short trips

Please look after our Earth, give the quiz a go here and see how you compare to our class.

Parliament House Excursion

9 Yellow Excursion to Parliament House with Sose Teacher Mr von der Borch, 9 Yellow Home Class Teacher Mr Lang and Ms Hood. Special thanks to Hon. Steph Key MP JP and Geoff McCaw.

Above – Molly Travers with a photo of her grandfather: Des Corcoran who was the 37th premier of South Australia and Deputy Premier under Don Dunstan from 1970-1979.

Left – William Preece with a photo of his uncle: Rob Kerin who was the 43rd premier of South Australia and Deputy Premier under John Olsen from 1998-2001.
**Junior Debatting**

We have had a mixed start to the debating season so far; two wins and one loss (but only by a narrow margin). The team is working very well together and because there are five keen debaters to choose from, we are able to make sure everyone gets a couple of turns as well as a break from the pressure!

Our recent debate was against St Peter’s Girls College and we were able to convince the adjudicator that we had the strongest argument about why school canteens should be able to sell junk food. Next term the debaters will be making a case against video games, arguing that they do more harm than good. Wish them luck!

By: Mrs Cross and Mr Manning

*Junior debaters hard at work:
(L–R) Hannah Green, Gaby Maxwell, Noah Keeley, Shea Gallagher*

---

**Middle School Library News**

Did you know that you can now borrow Kobo Mini e-readers from Cabra Middle School Library? We have five e-readers available for loan for two week periods. They come preloaded with the classics and students are able to borrow any wheelers eBooks from our library catalogue to the device. So far the Kobo’s have been a great success with all five being on a constant rotation out. The Kobo Minis are small, light with no-glare natural, ink e-touchscreens.

If you are interested in borrowing one please come and see us in the Middle School’s Library.

2013 is the tenth year the Premier’s Reading Challenge has run in South Australia. It’s a literacy engagement program that challenges students from Reception to Year 12 across all three education sectors to read 12 books by September each year. A range of certificates and medals is awarded to students who complete the challenge. By November awards will be in and the Middle School Library will have a big morning tea to celebrate all those who participated in the challenge so get your forms in. The Middle School Library is also open at recess time Wednesdays and Fridays for PRC participants.

---

**AS READ ACROSS THE UNIVERSE BOOK WEEK COMPETITION**

*Design a book mark for school or just for fun.*

There will be two prizes and your entry might become the official library book mark, a chance for your art to be immortalised and mass produced.

Check out the website [here](#) for inspiration and ideas and go mad, there are no size or shape restrictions. Prize winners will be announced during the Book Week celebrations, August 17-24.
Matthew 35:37-40

"Lord, when did we see you hungry and feed you, or thirsty and give you drink? When did we see you naked and clothe you? When did we see you ill or in prison, and visit you?" And the king will say to them in reply, ‘Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.’

Matthew 35:37-40

**Striving for Excellence**

"For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me.’ Then the righteous will answer him and say, ‘When I was hungry you gave me food, when I was thirsty you gave me drink, when I was a stranger you welcomed me, naked you clothed me, ill you visited me and in prison you visited me.’ Then the righteous will answer him and say, ‘Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.’

Matthew 35:37-40

**YEAR 10 SCIENCE STUDENT PRESENTATIONS**

Our Year 10 Science students demonstrated their knowledge of a range of biogeochemical processes by preparing a short interactive presentation for their peers.

As a part of our Year 10 science unit, Global Systems, Isobel and I were assigned the system of deep ocean currents.

As part of our 10 minute oral we were required to run a small class activity. We thought through a number of activities but nothing gave this complex system justice, so after a bit of research we decided to perform a small experiment in front of the class to show everyone what a deep ocean current really looks like.

After getting some assistance from Lucy, the Lab Manager, we were ready to perform the experiment. Using a number of different food colourings and temperatures we were able to create a deep ocean current in a container. The experiment showed not only the way the water was layered under the ocean’s surface, but also showed the swirling pattern which represents the movement of the water once the temperature had been altered.

We would like to thank Lucy and Mr Culley for their assistance in preparing our experiment.

**By:** Darcey Watson and Isobel Harris

- I was very impressed with the enthusiasm and initiative shown by Georgia and Grace, and Darcey and Isobel in their presentations. By using simple demonstrations as a visual stimulus they were able to portray their message very effectively. This willingness to think beyond the norm will stand them in a very good stead as they continue their studies.

- Lucy Barker,
Laboratory Manager
Yr 11 Legal Studies excursion

Reflections on the Stage One Legal Studies Court Excursion with Paula Hensing’s class:

- The Court excursion was interesting to see real life cases. It was interesting to see how people dealt with cases. It surprised me to see how on the ball you have to be to be a lawyer or judge. In the District Court it was good to see an actual sentence being delivered.

- I really enjoyed the court excursion. It was really interesting to experience people’s issues in reality. It was sad to see the grief on people’s faces in court. It gives you a life lesson that if you do something wrong, you will pay.

- Court was nothing like I expected it to be. It was great to see what we studied in action.

- I enjoyed the courts. I found the Magistrates Court surprisingly casual. I thought the judge was very fair in his decisions.

- The Court excursion was great; we saw a real life criminal sentence in person. We also saw a terrific judge who showed us a great display of authority in the Magistrates Court. Even though I was expecting to see people getting sentenced, seeing the man get put in jail for five years still surprised me.

Kyoto Bunkyo
Excursion To Gorge Wildlife Park

On 27 June, we went to Gorge Wildlife Park for an excursion. I have been to Cleeland Wildlife Park, but I have never been to this one.

So I went there for the first time. When we arrived there, the staff gave us a guided tour and explained many interesting things about koalas, kangaroos, wombats and dingoes.

Then we held koalas and took photos. Their fur was very soft and they were so cute. I was happy to hold a koala. Next, we had some free time for an hour. There are so many animals here and we could get up very close to them. I took a lot of photos. And we found a white wombat. I was surprised about that, because we did not know white wombats existed.

For lunch, we had a BBQ!! There were chicken, pork, honey and beef and plain beef sausages, which we ate in slices of bread. I had two different sausages. They were honey and beef and chicken. I did not have the plain beef sausage, but I had a bite of a pork one. I think that the honey & beef sausage was the best!! It was very delicious.

Winter Chamber and Mid-Year Music Concerts

The past fortnight has been an exciting and winter warming time in the music department. The weather has not deterred audiences from coming to our Mid-Year Concert and our Winter Chamber Concert. It is always wonderful to see our talented musicians perform at their best and these two concerts were no exception. We would like to thank the performers, families and friends for their continued support of our Cabra Music Department events.

Cabra Big Play Day and Concert

On Sunday the 28th of July, Mitcham City Brass Band is coming to Cabra to run workshops with our Concert Bands. The day will commence at 10.30am and there will be a concert showcasing Cabra Concert Bands, Mitcham City Brass Band and a combined performance at 5pm. Ensembles involved have received further information by email and from Ensemble Directors.

Southern Stars Choir Festival

Week 5, Monday the 19th of August, Cabra will proudly host the Southern Stars Choir Festival of jazz, pop and show choirs at the Hopgood Theatre. Workshops will start at midday, ending with a concert at 7.30pm. Groups involved are Jazz Choirs, Concert Choir and Cabra Chorus. All parents and friends are welcome to attend. Keep an eye on the newsletter for more information.

Cabra Bands Big Play Day & Concert
St Dom’s Day Mass & Talent Quest
ABODA Band Festival – Concert Band
Southern Stars Choirs Festival
Drum Festival Adelaide – Drum Corps
Stage 1/Year 10 Performance Evening
Stage 2 Performance Evening – Solo/Ensemble
Principals Tour – Year 9 Music Advanced
Drum Corps workshop
Grandparents Day & Special Friends Day – Yr 6
Catholic Schools Music Festival

Term 3, 2013

As you can see from the calendar of events, next term is packed with musical goodness.

Please continue to check the calendar of events updated in each newsletter, your emails, information from Ensemble Directors and the music notice board located just outside the Music Office for detailed information regarding upcoming events.

MUSIC EVENTS – Term 3

Sun 28th Jul: Cabra Bands Big Play Day & Concert
Fri 9th Aug: St Dom’s Day Mass & Talent Quest
Wed 14th & Fri 16th Aug: ABODA Band Festival – Concert Band
Mon 19th Aug: Southern Stars Choirs Festival
Fri 30th Aug - Sun 1st Sep: Drum Festival Adelaide – Drum Corps
Wed 28th Aug: Stage 1/Year 10 Performance Evening
Thu 5th Sep: Stage 2 Performance Evening – Solo/Ensemble
Fri 6th Sep: Principals Tour – Year 9 Music Advanced
Mon 9th & Tue 10th Sep: Drum Corps workshop

The Snow Queen – Performance Photo Gallery
In the first quarter and with Rhys O'Brien (absent) we struggled in the second and third quarters. In the fourth the boys were fired up and took the court with our year 9s, outscoring Unley in the third and fourth quarters. In the end Unley beat us 60-38. All the boys contributed; Matt Simmons, Jack Reemst and Jon Pacis some of our best.

Overall, the team worked surprisingly well considering they had very few trainings together and some players had experienced more football than basketball this year. Although we lost both games it was great to see our Year 12s on court with our Year 9s, outscoring Unley in the third and fourth quarters. In the end Unley beat us 60-38. All the boys contributed; Matt Simmons, Jack Reemst and Jon Pacis some of our best.

The second game against Unley was even tougher, with several players over 6’4” and skills to match their size. We struggled early, only staying in touch thanks to some great 3-point shooting. Unley scored 27 points in the first quarter but our boys played great defence from thereon in limiting them to 60 points for the game. It was great to see our Year 12s on court with our Year 9s, outscoring Unley in the third and fourth quarters. In the end Unley beat us 60-38. All the boys contributed; Matt Simmons, Jack Reemst and Jon Pacis some of our best.

The strength and agility from Emily Brockhurst in defence definitely was a standout and added pressure in their goal circle. Unfortunately the game got away from us and Marymount were too strong on the day. I would like to say well done to all members of the team and thank you to Mrs Emily Crosbie for coaching the girls.

**Open KO Boys Basketball**

**Match 1:** Henley High def Cabra 57-40.  
**Best Players:** Matt Simmons, Harry Westhoff.

**Match 2:** Unley High def Cabra 60-38.  
**Best Players:** Matt Simmons, Jon Pacis.

On Tuesday 25th June, Cabra played in the first round of the Open Knock-Out Basketball fixture. Unfortunately we ended up in the same pool as Unley and Henley High, both very strong basketball schools. Our team consisted of Year 12s Nathan Van Eekeren, Jon Pacis and Dan Meredith, Year 11s Matt Simmons, Jordan Pressler, Jack Reemst and Harry Westhoff, Year 10 Rhys O’Brien (absent) and Year 9s Angus Rodman and Jalen Croxton.

Our first game was against Henley, a team mostly consisting of Year 12 and 13s and despite our height (and weight) disadvantage the boys started well, tied at 11 apiece at quarter time. Jordan Pressler had 3 fouls in the first quarter and with Rhys O’Brien absent we struggled in the second and third quarters. In the fourth the boys were fired up and made comeback closing the gap to just four points. However, Henley made the most of our turnovers and blew the game out to win 57-40. The score line not reflecting how close the contest was. It was a great effort by our boys, Matt Simmons and Harry Westhoff best on court.

The second game against Unley was even tougher, with several players over 6’4” and skills to match their size. We struggled early, only staying in touch thanks to some great 3-point shooting. Unley scored 27 points in the first quarter but our boys played great defence from thereon in limiting them to 60 points for the game. It was great to see our Year 12s on court with our Year 9s, outscoring Unley in the third and fourth quarters. In the end Unley beat us 60-38. All the boys contributed; Matt Simmons, Jack Reemst and Jon Pacis some of our best.

Overall, the team worked surprisingly well considering they had very few trainings together and some players had experienced more football than basketball this year. Although we lost both games it was great to see our Year 12s play valuable minutes in their last year at Cabra and great practice for the rest of the team. With another year of development and some players had experienced more football than basketball this year.

**Softball Superstar!**

After representing South Australia in the National School Girls’ Softball Tournament earlier this term and receiving the MVP for the state, Megan Wheatley (11n) was the only South Australian player selected in the Australian School Girls’ Softball Team. She is heading to NSW to play in the International Friendship Series at the Olympic Sports Grounds next week. Well done Megan!

**Netball Trip Movie Night Fundraiser**

THANK YOU to all students and families who supported the Gold Coast 9A Netball Trip movie night fundraiser on Monday 24th June. It was a fabulous night with 70 movie tickets and many raffle tickets sold, the total profit was $515 - WOW! Thanks for all your support.

**Cabra Sport Uniform**

Students and parents are reminded that the correct Cabra sport uniform, including outer garment MUST be worn to all Cabra sporting events. Uniform infringements will be issued and detention can result.

**Exciting News...**

As of the beginning of Term 3 the Cabra Uniform Shop will have a warm/lined track suit PE/Sport jacket available to purchase. The students will be able to wear these jackets over their rugby jumper to ensure they stay nice and warm during the week at school and on Saturdays morning when at school sport.

These jackets look excellent and are a match to the new CABRA track pants.

Price $80.

SPORtS NEWS

YR 10 SOCCER MATCH REPORT

Forget what you know about the laws of physics because our star striker Will Braund defied them Saturday morning! In a thrilling game against Immanuel College, the boys pulled off a gutsy 1-0 win after a tight game. The game was 0-0 until the last few minutes until Will Braund pulled out one of his signature party tricks, and slotted an excellent goal from an extremely acute angle. The spectators (including the keeper!) of the shot all assumed it was going to fly over the top crossbar. But at the very last millisecond it dipped down under the goals and won us the match. Top effort Will! There were many highlights of the game including an absolute stellar performance from our goalkeeper/central defender Chris Tortorella who would not let any attacker pass him even if their life depended on it! Another excellent performance from fan favourite, Aaron Lowe, whose consistency throughout the match almost earned him a goal himself, which was ultimately denied by the crossbar. Also, a spectacular effort from the teams very own ‘Ronaldo’, Anthony Neagle, whose silky skills always manage to make the opponents ask themselves, “Why hasn’t he been picked up for Adelaide United?” Finally, our team would not perform the way it would have if it wasn’t for the star Captain / Coach combination of Dylan Baguley and Jeremy “Podge” Podger. The duo’s force acts as glue which holds the team together. Good win boys, the undefeated run continues!

Best Players: Chris Tortorella, Aaron Lowe and Will Braund.

Written by: Dylan Baguley (Captain) and Chris Tortorella (Vice Captain)

THUNDERBIRDS NETBALL CLINIC

THUNDERBIRDS ARE GO!

Excitement levels were high as Carla Borrego and Kate Shimmin strolled onto the Cabra netball courts on Thursday 20th June. Upon organising this clinic with Carla Borrego earlier in the term it was a great surprise and treat for all the Year 6/7 girls who play netball for Cabra. Carla and Kate ran a netball clinic with all the girls for 1 ½ hours which was jam packed with an array of drills, skills and modified netball games. Coaches and parents who were watching the clinic were amazed by the energy from all the girls and definitely went away from the clinic feeling inspired for their match on Saturday. Thank you to all students for your positivity, participation and high enjoyment levels. It was a fantastic afternoon and something that I will definitely look at including into every season.
