The daily continuous learning at Cabra has been enriched by two major celebrations over the past two weeks: St Dominic’s Day and Science Week.

Last week, our community, along with others in our Dominican family worldwide, celebrated Saint Dominic’s Day. Once again Caleruega Hall was beautifully transformed from a gymnasium into a sacred space for our Eucharistic celebration in the morning, decorated through the efforts of all the students and their home class teachers. We are very grateful to Fr Charles Gauci for being our celebrant and for the many Dominican Sisters, special guests and families who could join us on this occasion. Our theme this year was “Faith Brings Light.” Our celebration was a powerful reminder of how our faith in God’s ongoing presence sustains us in our journey, as it did St Dominic over 800 years ago. This same faith also offers us hope and enables us to bring “light” to others in many ways.

Following the morning’s celebration, the annual St Dominic’s Day Talent Quest was another powerful reminder – this time of the many and diverse talents in our school community. As a member of the judging panel, I know how difficult it was to decide on the following winners in each category:

**Best original performance:**
Taylor Tuffs

**Best band:**
Ethan Cartwright, Adam Clarke, Tom Scott, Callum Gleeson

**Best dance:**
Year 12 Girls Dance Group

**Best Song:**
Emma Baguley and Nicole Kalkanas

**Audience Award:**
Tyler Fuller

**Encouragement Award:**
Leah Dobson

**Overall best act:**
Patrick Tomzcak

The St Dominic’s Day fun did not end on the day. Saturday saw the Dominican Cup being held, where both our senior soccer and senior basketball teams won their matches, competing against Blackfriars Priory School.

This week, celebrations of science and scientific endeavour have been held to mark Science Week. There have been some exciting opportunities to experience the wonders of science “hands on” with daily activities at lunch time for all to enjoy and learn from. More information on these will be included in next week’s newsletter.

**Funding to Catholic Schools**

There was some good news for Catholic Schools this week with Premier Weatherill announcing an earlier release of funding under the current Better Schools Plan, although in the short term this is still a fairly modest gain.

Margaret Barrachina
IF YOUR CHILD IS NOT RETURNING TO CABRA IN 2014
(EXCEPT YEAR 12 STUDENTS)

As per the College Fee Policy, families are required to advise the Registrar in writing prior to:
Friday 27th September 2013

to avoid being charged fees for the following year.

Please contact Amber Booth via email:
abooth@cabra.catholic.edu.au
**MIDDLE COLLEGE NEWS**

**Our vision statement**

Our vision statement reads that “Cabra Dominican College, as a Christian community in the Catholic Tradition, strives to nurture and develop the unique gifts of individuals, to liberate them in search for truth, and to empower them to create a better world.” We are fortunate that we get to see this in action every day at our College.

**Subject Selection**

Parent information evenings

We also have our Subject Selection Parent information evenings next week for our Year 9 families. Parents are invited to come to St Dominic’s Hall next Wednesday evening to learn more about the next stage of the journey as their child heads into Senior School. The teachers work with each student to help work out what pathways may be available, choose subjects that they are passionate about and perhaps even choose a new subject that sounds appealing and seems to fit with their interests. The students have already received their subject selection booklets and have been encouraged to talk with their teachers and families to help make these important decisions. We look forward to seeing our Year 9 parents on Wednesday evening.

**Semester 2, 2013 Class Captains**

Our Semester 2 Class Captains have been finalised and we congratulate them.

We also thank the Semester 1 Class Captains for their efforts and contributions to our College. Our students are our finest ambassadors and we often receive complimentary comments about their conduct in the community and their care for one another.

As always, please contact your child’s Homeroom Teacher, Year Level Coordinator or one of the College Counsellors if there is something that needs our attention. The close partnership that we have with our families allows us to work together for the best outcomes for your children.

---

**YEAR 6 ART – SALA EXHIBITION**

The Year 6 Art class visited their exhibition “Sewn Stories” during Week 3 at the Unley Civic Library. Students celebrated their exhibition by having cupcakes and biscuits and all were enthusiastic to see their work displayed in a public space. Students participated in a reading of the book Where the Wild Things Are and conducted small presentations of their work and spoke about what part of the story they depicted.

It is a fantastic achievement to have our students exhibiting their work in the community, especially at such a young age. Well done to all involved and also a big thank you to Ben Heath who supported students as well during our class times.

By: Ms Kate Lymn

---

**SOCIAL JUSTICE GROUP NEWS**

This term the Social Justice Group is focusing on the issue of homelessness. In South Australia there are 5,985 people who experience homelessness.

On Monday 5th August the student Social Justice group held a “Walk a mile in my boots” event, helping to raise funds for the Daughters of Charity Hutt Street Centre in Adelaide that cares for Adelaide’s homeless, providing daily meals and support services.

As Cabra students walked a “mile” (measured out by the Year 9 Numeracy class), they collected $124.70 in donations for the Hutt Street Centre. Thank you to all the walkers and those who made a donation.

Junior Debating

This week we had a shock loss to Wilderness when we debated the affirmative side of the topic “Video games do more harm than good.” Our argument was strong and the three speakers did an amazing job — but, alas, the adjudicator awarded the debate to the opposition.

To their credit, our debaters were noble in the face of defeat and recognised that it’s all really good experience. Mr Manning and I were very proud of them.

Special thanks to Hannah Green who stepped in with only half an hours’ notice to deliver a rousing 3rd Speaker performance — a valiant effort!

By: Mrs Cross

Yr 6 – Paper Making

On Tuesday July 30th the Yr6s and St Marys Unit took part in a cross-curriculum SOSE-Science incursion making recycled paper.

6 Rust

Thomas C
This was a fun, easy to make activity and showed me that you can recycle paper to make more paper.

Leita:
It was good to see all the students having fun. Connie and I might hire the paper maker kit for the holidays. It is available for hire from KESAB for $60.00 a week.

6 Gold

Holly:
During SOSE today we had the opportunity to make paper. It was fun, quick and easy!! Overall it was a great chance and a really fun lesson! I hope we can all do it again soon because everyone really enjoyed it!

Heather
Today we made recycled paper out of shredded paper. We got into groups of 4 or 5 and helped each other make the paper. It was really fun, some of us got to squash the paper in between two platforms to remove the excess water.

Aurecon Bridge Building

Competition Success

Over the past few weeks, 3 teams in Year 9 constructed a bridge from materials supplied by Aurecon. Our team, Cabra Team 1 took out the competition with a holding weight of 44.5 kg, Cabra Team 2, consisting of James Scarfo, Henry Curtis and Sebastian Gaggl, ‘kicked off’ the competition with a holding weight of 35 kg, Cabra Team 3, consisting of James Solly, Jack Armstrong and Joel Portlock, tried their best but only had a holding weight of about 10 kg. All 3 bridges were constructed differently as the teams had different ideas. On Thursday 1st August we caught a bus into the city and went to the Art Gallery where the competition was being held. They commenced the day with a brief introduction about engineering. Soon after, they started testing the bridges. To our surprise, we won the competition. The prize was $1,500, which was given to the school and we were each presented with a $200 gift voucher. Overall it was a fun and exciting day!

St. Dominic’s Day

Last Friday the College celebrated St. Dominic’s Day. The day commenced with a beautiful Eucharist celebration which was followed by a student talent quest. The events of the day were a wonderful way to celebrate such a special occasion as a Catholic community in the Dominican tradition.

St. Dominic’s Cup

Congratulations to the College’s Senior Basketball and Senior Soccer teams for their outstanding performance in the Dominican Cup which was held last Saturday morning against Blackfriars. Both of the Cabra teams won their matches in the true spirit of St. Dominic. The soccer match provided the audience with a truly entertaining penalty shootout competition which kept everyone in suspense until the very last minute.

2014 Subject Enrolment

On Wednesday afternoon we had our ‘2014 Subject Enrolment’ afternoon in St. Dominic’s Hall. This event was extremely well attended and provided parents/caregivers with the opportunity to ask clarifying questions in relation to their child selecting the most suitable subject combination in order for the students to be successful in their academic pursuits for 2014.

Term 3 Learning Review Meetings

Our Learning Review Meetings for Term 3 will be held on Thursday 19th September from 2.00pm – 8.00pm in St. Dominic’s Hall. Information in relation to scheduling interview times with individual teachers will be distributed to parents/caregivers during the coming weeks.

Term 4 Key Dates

Term 4 commences on Monday 14th October. On Thursday 24th of October Year 12/13 student will have their final assembly followed by their ‘Day on the Green’ celebrations. The Year 12/13 students will have their ‘Presentation Dinner’ on Wednesday 20th November.

Dr. Jason Fox Presentations

On Wednesday last week we had Dr. Jason Fox presenting to the Senior School students. Jason is a motivational speaker who presents to schools and business organisations across Australia. Jason’s presentation focused on different learning styles and the steps involved in realising your full potential as an individual.

Saint Dominic’s feast day

On Friday, 9th August, the Cabra Community celebrated the feast day of Saint Dominic Guzman, the founder of the Dominican Order, called the Order of Preachers (O.P). Father Charles Gauci celebrated the Mass in the round in Caleruega Hall. The choir provided a lovely singing of the hymns and parts of the Mass; a large number of Dominican Sisters attended to celebrate with us and the hall was beautifully decorated with posters created by the home class students and teachers.

The theme of the Mass was “Faith Brings Light” and classes were asked to represent this theme with Saint Dominic, the Dominicans and ourselves in mind. Forty three posters were hung in the hall with this theme, representing Saint Dominic, his faith and our own and the light that is shone in many ways from the faith we hold. The images show the diversity and creativity of the posters created.

By: Brian Sharkey
CEO Conference

Last Friday, our Concert Choir was invited to perform at the CEO Conference at the Hilton. We were pleased to have the support of Sue Young, who attended a number of rehearsals and conducted the choir at the conference. Students performed parts of the mass and a thunderstorm piece. Delegates at the conference also joined in, participating in the thunderstorm soundscape. This was spectacular with delegates and officials tweeting their congratulations on the choir’s amazing performance. I was extremely proud of our students and how they represented the Cabra Music Department at such an auspicious occasion. Photos and video footage of this event will be available soon.

ABODA Bands Festival

This week the Music department is participating in the ABODA Bands Festival competition at Westminster. We are sending our Senior Drum Corps and Concert Band to compete on Wednesday and Friday. Both ensembles are looking forward to the opportunity to see other ensembles in the state and gain some valuable feedback on their performances. Watch this space for the results.

Stage 1, Year 10 Performance

In week 6, Wednesday 28th of August, our music students from Stage 1 and Year 10 will once again shine by performing their solo for Semester 2. This evening will commence at 6pm at the Chapel and move to the Band Room to finish by 8pm. We look forward to family and friends supporting this wonderful performance evening.

Stage 2 Solo & Ensemble Performance

Stage 2 performance students have their final school assessment and this will take place on Thursday 5th September starting at 11am and concluding at 6pm. This assessment will take place in various venues. Family and friends are welcome to attend. Details of student’s performances will be displayed on the music noticeboard and emailed to Stage 2 music students and parents. The final external assessment date has been given by the SACE Board which is Friday 18th October (9.30am-3.30pm).

Catholic Schools Music Festival

Congratulations to the support acts who have been selected to perform at this year’s Catholic Schools Music Festival. Bethany Jones, flute soloist, will be performing Monday 23rd September and Revelation will be performing on Wednesday 25th September. Festival Choir will their final combined schools rehearsal at Loreto on 29th August. The Festival Choir will be performing on Wednesday the 25th of September. Discounted tickets can be ordered through the Bookroom for both Festival Choir and support acts.

Discounted tickets need to be paid for by Monday 19th August.

Tickets will go on sale to the public through Bass on Monday 9th September. Please continue to check the calendar of events updated in each newsletter, your emails, information from Ensemble Directors and the music notice board located just outside the Music Office for detailed information regarding upcoming events.

For enquires regarding the music department, phone 8179 2406 or email: sheaslip@cabra.catholic.edu.au

MUSIC EVENTS – Term 3

| Wk 4 | Wed 14th & Fri 16th August | ABODA Band Festival – Senior Drum Corps and Concert Band |

| Wk 8 | Fri 13th September | Grandparents Day & Special Friends Day – Yr 6 |
| Wk 10 | Mon 23rd – Thu 26th September | Catholic Schools Music Festival |
**Dominican Cup**

**Soccer**

Wow – Dominican Cup 2013 will definitely be a year to remember! I was delighted to be able to witness both Open Boys Soccer and Open A Grade Basketball bring home both of the trophies on Saturday 10th August. With the weather set to impress, the conditions perfect for winter sport and the spectators gathered, the scene was set for a hard fought competitive game for both the Soccer and Basketball players.

The Soccer game was a nail bitting game with Cabra trailing for the whole game. Blackfriars came out strong and scored the first two goals which gave Cabra no option but to fight their way back into the game. The Cabra Open Boys Soccer team coached by Nelson Lee were undefeated coming into this game so they were not going home without a fight. They clawed their way back kicking 1 goal and then in the dying 50 seconds of the second half, luck was on their side and they scored the much needed equaliser. The boys celebrated like they had already won but they had to quickly regather themselves as they were set for another 5 minutes each half in extra time. With the game tied at 2-2 the defensive pressure had increased and the 10 minutes of extra time passed with no team scoring. It was time for penalties. Goal Keeper for Cabra, Joseph McEvoy’s heart was racing, as the team lined up on the half way line with Cabra on one side and Blacks on the other, Joseph made his way down to the goals. With some unbelievable saves and with some goals conceded, both goal keepers sure were being pushed to their capacity. Last kick of the morning and Cabra needed to score the pressure was on and as the ball slipped passed the Blacks keeper and hit the back of the net there was an almighty roar from the sidelines and the boys. The extremely excited boys jumped on top of each other celebrating a very well deserved Open boys Soccer victory, which Cabra has never won in the years of running the Dominican Cup.

Cabra and Blackfriars gathered together for a small presentation from John Cameron who presented the Cup to Cabra and Best Player Medallions (chosen by the coaches) to both teams. Well done to the team and a special mention to Daniel Cappello (Captain) for being awarded the MVP for Cabra. It was a fantastic game played in true Dominican tradition, all players including Blackfriars should be proud of themselves.

**Sapsassa Knockout Girls Basketball**

Wednesday 7th August was the annual 6/7 SAPSASA Girls Basketball Carnival held at Wayville Stadium. Firstly congratulations to the 12 girls who were selected and participated in the day: Ebony Clark (6B), Emily Brockhurst (6W), Yasmin Blake-Smith (6R), Ella Griscti (7R), Sarah Daunt (6R), Kaitlyn Hill (6W), Rachel Crockart (6B), Kayla Santos (6R), Tahlia Heyward-Ferors (7B), Elia Sawyer (7R), Tian Fuller (7R), Darcie Gleeson (6R) (injured).

The team was dealt a tough first round draw against some quality teams and carrying a few unfortunate injuries and illnesses, everyone knew we were set for some challenging games ahead. The girls were excited to be there and adrenaline was certainly running high early as they managed to snatch an excellent victory in their first game against Highgate. All girls continued to press on and as energy stores decreased the competition was not getting any easier. Unfortunately, our opponents in our next games were hitting the basket with a little more accuracy which saw us trailing at the final siren. The girls never gave up and their defensive pressure down the court was definitely a highlight for the day. Game 4 lead us to an easy victory which was a warm-up to Pulteney, probably our toughest competition for the day. Upon being told that Pulteney were the school to go through to the next round our girls were determined to put up a good fight. WOW - is all I can say, what a fantastic game which saw the lead changing with Cabra having the upper hand. In what was a solid and entertaining game, the clock ran down and Pulteney came out with a 3 point victory. Thank you to Grace Clark who coached the girls - fantastic job.

**RESULTS:**

- **Game 1:** defeated Highgate 22-18.
- **Game 2:** lost to Allenby Gardens 8-12.
- **Game 3:** lost to West Lakes Shore 9-17.
- **Game 4:** defeated Callington 31-0.
- **Game 5:** lost to Pulteney 22-25.
SPORTS NEWS

BASKETBALL

The Dominican Basketball Cup was established in 2007 to encourage the friendly rivalry between the two Dominican Colleges. It has stayed in the Cabra trophy cabinet ever since.

All 3 senior games were close match ups. The C team made up of our Kyoto Bunkyo exchange students put in a great effort but came up just short in a 30-33 loss. Yusuke Suzuki (15 points) and Terunobu Nakamoto (6 points) were our best players. The B’s won 44-34 despite waiting until the last second of the first quarter to hit the score board, Jack Reemst and Nick Wiseman top scoring with 11 points each.

The Open A team started slowly despite being favourites to win the Cup. They played well in the first half but were missing their shots. Despite this Cabra were up by 3 points at half time. With some encouragement from Coach and old scholar Grace Clark, the team was fired up at half time and won the third quarter 18-7. In the fourth quarter the team ran Blackfriars off their feet and were shooting the lights out; Rhys O Brien, Jordan Pressler, Charlie Farrell and Nathan Van Eekeren all hitting 3 pointers. Cabra won the the game 60-42 and therefore retained the Cup. Although Jordan Pressler fouled out of the game early, the coach of Blackfriars named him our MVP after 8 points and a great defensive effort, Matt Simmons (13 points) and Rhys O’Brien (11 points) the other top scorers. It was a great team effort and all players showed true Dominican spirit. With the 8/9 Boys A team winning 105-41, I am looking forward to seeing the Dominican Basketball Cup stay in our trophy cabinet for years to come.

By: Ben Heath, Boys Basketball Co-ordinator

YEAR 6/7 KNOCKOUT SOCCER

Cabra defeated St. Michael’s Lutheran Primary 9-1

Goal Scorers: Tom Wright (4), Wilson Farmer (2) Khai Cho (2), Cam Gardener (1)

I was really happy with the boys efforts, they went out early and stamped their authority on the game scoring twice in the first five minutes. They ran hard in both attack and defence and put extreme amounts of pressure on the ball carrier. The real highlight of the game was their skilful dribbling through and around their opponents with everyone contributing in some way. Next we play Sacred Heart Middle School in Week 5 for a semi-finals spot.

By: Joel Morizzi, Coach

GIRLS SOCCER CLINICS

Sturt’s Head Coach, Tom Ballantyne will be taking the sessions for any girls interested in playing soccer aged from 9 to 13 years old. Be there early ready to start @ 5pm. Bring water, shin pads, boots & wear appropriate training gear. Starting August 9th.

For 9-13 year olds.

COACHING COURSE

Any coaches/parent/caregiver coaches who would be interested in taking a course on coaching children, please let the Sport Office know and we can register your interest. If we can get a group of 10 or more people interested, we can hold a course here at Cabra and tailor it more to our needs. The next course is being held on October 10th. Please let the Sport Office know as soon as possible if you are interested. Below is a brief synopsis of what the course entails. For more information head to:

‘Essentials for Coaching Children is a brief, practical survival course for coaches. The course aims to give new or aspiring coaches of any age the basic skills, knowledge and tips needed to provide an effective, enjoyable sporting experience for the children they coach.

The Essentials for Coaching Children course can be used as a basic introduction to coaching, enhancing the delivery of children’s sport within local clubs, recreation facilities and schools. Whilst the Essentials for Coaching Children is not a formal component of the National Coaching Accreditation Scheme (NCAS), it can be a useful lead up to a Beginning Coaching Accreditation Course.’
