A continual focus on truth and learning

During last week’s Principal’s tours, I was struck by what a privilege it is to be able to share something of our College’s history and educational offerings with prospective parents and to witness their delight with the way our student leaders tell of their experience of Cabra so warmly and enthusiastically. In particular, some visitors who had been old scholars commented on how lovely it was to see how both educational offerings and facilities had grown and progressed, while at the same time our core values had remained constant.

As I write, we are preparing to receive more visitors on Friday this week – this time the grandparents and special friends of our Year 6 students, some of whom I am sure will notice even more dramatic changes in today’s education since their own school days. I am confident that they, too, will see our ongoing focus on “Veritas” - a continual search for truth in our actions and learning - and that they will be met by the same pride and enthusiasm from the Year 6 students.

For current parents, the Student/Parent/Teacher Learning Reviews next week are an opportunity to discuss your own child’s progress so far this semester. Formal summaries of students’ academic achievement will be distributed in the form of Mid-Semester Reports on the last day of term.

On another matter, may I appeal to all students who drive, and parents who drive their daughters and sons to and from school, to respect the local residents and safety of others, especially during the current construction period that has limited some parking options, by obeying parking and road rules. Parents are also asked to take care when entering and exiting the drop off area.

With best wishes,

Margaret Barrachina

AUSTRALIAN CATHOLIC YOUTH FESTIVAL

The Australian Catholic Youth Festival (ACYF) will take place in Melbourne, from
Thurs December 5th until Sat December 7th, 2013.
The ACYF is for young people from year 9 (in 2013) to young adults 25 years of age.
Young people under the age of 18 must be accompanied and supervised by an adult. The ACYF is a national gathering of Catholic young people established by the Australian Catholic Bishops Conference.
For further details go to the website. Or contact Cabra on 82724588 and ask for Mr. Sharkey.

No-Go! School Drop Off Zones

Many students continue to be dropped off in residential NO STANDING zones and in the BIKE LANE and SCHOOL BUS area on Cross Road.
We ask that you please do not drop students off in these zones.
UNLEY COUNCIL WILL ISSUE FINES TO OFFENDERS.

Please try leaving a few minutes early so your child can be dropped off safely within the designated drop-off area.
We look forward to your support in this important safety matter.
UNLEY COUNCIL ROAD RULES can be found by clicking the link below:
Australian Road Rules – No Standing Zones and Bike Lanes

MIDDLE COLLEGE NEWS

Congratulations – Royal Show Winner

Alex Hurley, in Year 9, won 2nd prize in the Commercial Modelling and Lego class in the Junior Technology category at this years Royal Adelaide Show. His entry was a model of the NBA Toronto Raptors stadium. Well done Alex!
Tournament of Minds 2013

Tournament of Minds is an extracurricular activity available for all students in Years 6 to 10. Each team of 7 students had six weeks to provide a solution to an open-ended challenge. All solutions were performed in front of a panel of judges at Flinders University on Sunday 8th September.

The 2013 teams members were:

**Cabra Team 1:** Isabella Cimarosti, Claudia Fox, Stephanie Lam, Jordan Rault, Grace Stewart, Jessica Thomas and Emily Vonderwall

**Cabra Team 2:** Shea Gallagher, Tabatha Emerson, Emily Douglass, Kilahney Murphy, Klayton Rosario, Brynley Davies and Hannah Green

These students wrote and rehearsed their script, made costumes, prepared props and directed performances in order to solve the long-term challenge. Then on Tournament Day their parents and audience members were entertained by their ingenious solutions. Students also worked collaboratively to solve a secret spontaneous problem given to them on the day.

All team members were lively, keen and motivated and their performances were outstanding! They were not the overall winners but Cabra Team 2 came in second place. Congratulations!

**Student Comments**

- It was so much fun! We made all our costumes and props. On the day we had a spontaneous problem to solve as well as a presentation for our long term challenge. We did really well!
  Stephanie Lam

- TOM was an amazing experience, I’m disappointed it is over. I’m ready for next year!
  Claudia Fox

- I thought it was a brilliant experience and recommend it to everyone! It brought me closer to my friends and I feel more confident.
  Isabella Cimarosti

- To be performing in such a great place was amazing! Our performance was great, our team worked well. I can describe the whole experience in three words, fun, nerve wracking and special. Thank you to Ms Becker, Ms SB and Mrs Ciccarello.
  Jess

- All I can say is that one can get really fit walking around Flinder’s Uni. There are so many stairs and we did lots of walking! I had an awesome day and our performance went really well, it didn’t matter that we didn’t win, we still had lots of fun. Thank you everyone.
  Grace Stewart

- I had so much fun, I can’t believe we came second! GO CABRA
  Kilahney M

- I really want to have that experience again, it was incredibly enjoyable.
  Klayton R

- I had a great time and I will remember it forever
  Shea G

- It was an unbelievably wonderful time, I cannot wait until next year
  Brynley D
Living in today’s world

Our students live in a fast paced, ever changing world where they consume large amounts of information every day. This enables us as educators, to connect, explore and challenge this vast amount of information with our students.

We need our students to move outside their comfort zone to continue to learn new information. They need to discuss ideas with others, see things from different perspectives and work collaboratively to find new solutions. Encouraging our students to learn new information requires some risk taking. Authentic teaching and learning requires our students to be creative in their thinking, link information to new settings and explore many possibilities. According to Professor Anthony Elliott, Director of UniSA's Hawke Research Institute, current graduates can expect to hold around 12 different positions and change their skills set three times.

Globalisation and new information technology allows us to connect with the world. Here at Cabra Dominican College, we have a range of tools that our students access depending on the needs at any given time. We have i-Pods, i-Pads, laptops and desktops not to mention the many high powered devices that many of them own. Several of our staff members have been involved in a four year Australian Government Quality Teaching Program where there has been research and innovation to explore what this means for us in our contemporary educational setting. We are blessed to know that we live and work in an environment where our students have the ability to learn with these tools yet still maintain the rich ethical, moral and human interactions that allow our students to live out our vision statement:

Cabra Dominican College, as a Christian community in the Catholic Tradition, strives to nurture and develop the unique gifts of individuals, to liberate them in search for truth, and to empower them to create a better world.

SAMMY D FOUNDATION STUDENT SEMINAR

During the third term, our Year 9’s attended a seminar run by Neil Davis, father of Sammy Davis and initiator of the Sammy D foundation.

Neil’s son Sam was just 17 when he became the victim of a violent assault. Sam had everything to live for; his passions in life were family, friends and especially sport. His funny, loyal and unique personality made him many friends; which was evident by the 1700 people that attended Sam’s funeral. For many of the students at Cabra, it was heartbreakingly moving to hear of Sammy D’s story through his father. At the end of the seminar, students were given a wristband and many wear them around the schoolyard even now. The experience was very touching and left many students much more aware of the dangers of drinking and parties.

The Sammy D Foundation believes that every young person deserves to be loved, supported and protected which was evident in Neil’s talk. Neil showed true courage in sharing his son’s story, and the Year 9’s appreciated it sincerely.

To Neil

“On the behalf of all of the Cabra students, I would like to thank you profoundly Neil. It shows true courage and bravery in the work that you do to share your personal family story and it is amazing and inspiring to hear of the change you have made to many younger people’s lives through the Sammy D Foundation. The talk was emotionally moving and from hearing my peer’s comments afterwards, many seemed to have developed a true realisation and understanding of the consequences of drinking and parties, and had truly thought about how Sammy D was just a normal boy with dreams and aspirations. It was also noticeable that a majority of students at Cabra are still wearing their wristbands several weeks after to show their support. To hear you talk about your son was very touching and heartbreakingly. We hope that you continue to share this story and encourage our youth to reach their maximum life potential by empowering them to make safe and positive life choices. Thank you again Neil.”

Anais Stephens, Student

Student comments:

➢ This was a truly inspiring event that shows that you must always take care of one another.
  Jack Armstrong

➢ The Sammy D foundation presentation impacted on me because I didn’t realise how dangerous parties and events could be. It also taught me to look out for my friends.
  Damien O Dea

➢ Sammy D presentation really opened our eyes as to what could happen if you don’t behave properly at parties and how important mateship is.
  Eliza Kitt and Olivia Galtan

➢ It was a very sad and inspirational talk and it makes you realise just how fast a life can be taken. It must have been very hard for his father to live through the experience every time he recounts the story, but we are grateful for this as it taught us an important lesson.
  Advaith Taduri

➢ The presentation was touching and made me appreciate my life more. It taught me some skills so that this situation does not repeat itself. Neil was a very brave person sharing his story with us.
  Sophie Scott and Ellie Byrne

➢ It must have been hard from Sammy’s father to talk to us so openly. His speech was very inspirational and has taught us all a lot.
  Matthew Taverna

➢ It was so nice that Sammy D’s father came to share the things that he and his family went through during this tough time. He was trying to tell everyone to think before you act because one silly mistake can not only affect your life but the lives of many others too!
  Cassidy, Sophie and Lucy
We recently held two guided Principal's Tours of Cabra College, which involved staff, Middle School and Senior School Leaders assisting nearly 200 visitors in two days. We often have a number of ex-scholars who attend the Principal's Tours, looking to enroll their children here. I am always keen to talk with Old Scholars and ask them about their experience of Cabra. On this occasion I was delighted to meet a father of two who graduated from Cabra 20 years ago, who reflected on his experience of Cabra and commented that Cabra provided him with opportunities to discover his own identity in a safe, supportive and trusting environment. He said Cabra gave him a very strong sense of what social justice meant in a world full of competing interests and values along with a real thirst for knowledge and future study, which lead him to go on to complete his law degree at Adelaide University. Another father commented on how his experience of the Cabra community had given him a group of close friends that all have common values and interests and are always there to support each other. His Cabra friends had also established a professional network which involves them drawing upon each other’s expertise in their chosen field and that all they needed to complete their group was a plumber!

These comments confirm for me that Cabra is a vibrant and energized learning community which provides our students with a wide variety of pathways to cater for their unique individual gifts and talents.

### Study Skills

With exams only a few weeks away, Elevate Education have provided an exam guide to assist students in getting through those final few weeks. Elevate have collated their most important exam tips from their presenters around Australia and included them in a booklet called “Almost There!” It includes tips for exam preparation, practice papers, stress management and maintaining perspective.

#### Daily Exam Preparation Video Tips

To help give students that final extra edge, Elevate will also be hosting a daily exam preparation video tip for students during the 30-days leading up to exams. These video tips have recently gained a lot of media attention in the UK. You can follow along and stay up to date by:

- Following Elevate on Twitter @elevateed
- Like Elevate Education on Facebook
- Logging into the student website

#### New Practice Questions and Tips

- on the Student Website.

Finally, there is a range of student content such as practice questions and student tips being updated in the lead-up to exams.

To get online you should:
1. Go to [www.elevateeducation.com](http://www.elevateeducation.com)
2. Enter the username ‘exams’
3. Type in the password ‘pacco’

---

### Parent Road Accident Awareness Information Evening

Last week Cabra hosted a Parent Road Accident Awareness Information Evening. As road users, we are the role models for the next generation of drivers and must continue the process of road safety education. As parents/caregivers, who take on the home role of ‘driving instructor’, it is never too early or late to be informed about this important topic. The RAP presentation recently held at Cabra was both confronting and inspiring for all of the parents who attended. Road crashes are the number one cause of death of 16-24 year olds throughout Australia. Cabra Dominican College has partnered with the SA Metropolitan Fire Service, Save a Life Australia and Adelaide BMW to deliver this presentation towards the parents of children learning to drive. Due to the overwhelming positive feedback we received from the parents who attended we will be scheduling another ‘RAP Parent Information Evening’ in 2014. Thank you to Mr. Edmund O’Brien for organising the event.

---

### St. Vincent de Paul Society

**Badge Selling Day**

The St. Vincent de Paul Society uses the funds raised from badge selling days to focus on research into Social Justice issues relating to homelessness, poverty, disaster relief, health, as well as campaigning for basic human rights for migrants and refugees and people with disabilities and those experiencing a mental illness.

Our Year 10 Student Leaders were recently involved in the annual badge selling day in our local community for the Society. Below is a reflection on the experience from one of our Student Leaders.

> This experience was heart-warming and giving back to the community filled our hearts with joy. Nothing is more satisfying than volunteering a day for the benefit of others. Seeing some people so willing to help was a happy experience and did not fail to put a smile on our faces. We would like to thank Ms Liz Mann who supervised the Leaders.

Grace Smallacombe, Year 10 Student Leader

Part proceeds donated to Asthma SA

**DOES YOUR CHILD HAVE A SLEEP PROBLEM?**
The Child and Adolescent Sleep Clinic in the School of Psychology at Flinders University is providing treatment for children and adolescents (aged 7 to 18 years) who are experiencing at least one of the following:
- Having trouble falling asleep
- Waking up and unable to get back to sleep
- Having trouble waking up or getting out of bed in the morning
- Often sleeping in their parents’ bed or bedroom
Places are limited, so for more information please call 8201 7587
Adelaide Eisteddfod

At the recent Eisteddfods, Bethany Jones competed in the 18 years and under solo section. She played the 1st movement of the Hindemith Sonata accompanied by Matthew Binion. The Adjudicator commented that she played very musically and awarded her First Prize. Congratulations Bethany.

ABODA Band Festival
– Senior Drum Corps and Concert Band

It is with excitement that we can report that both our Senior Drum Corps and Concert Band received a gold medal at the recent ABODA Band Festival competition. Congratulations go to our ensembles and their directors Rob Boundy and Russell Burton.

Bill Bachman Drum Workshop

On Monday this week we were privileged to have Bill Bachman, a renowned American Drumline specialist, give a concert and workshop to all our music students from Year 8-12, Instrumental and Ensemble students. Our senior and junior drum corps performed for Bill and gained valuable workshop information and experience.

Catholic Schools Music Festival

Week 10, Term 3 is always a busy time and filled with exciting performance opportunities for students at the Festival Theatre. This year we have students performing from Monday through to Thursday. Students and parents have received information and consent forms that need to be returned to Sarah Heaslip by September 18. The following performers and soloists will be performing: Festival Choir, Boys Choir, Revelation, Stage Band, Jazz Band, Bethany Jones, Rachael De Haas, Hannah Green and Patrick Tomczak. Tickets are available through BASS.

Please continue to check the calendar of events updated in each newsletter, your emails, information from Ensemble Directors and the music notice board located just outside the Music Office for detailed information regarding upcoming events.

For enquires regarding the music department, phone 8179 2406 or email: sheaslip@cabra.catholic.edu.au

School Holidays Looming

It has certainly been a quieter couple of weeks in the Sport Office with Primary Netball finishing up last weekend and therefore all winter Sports complete. The Yr 8/9 girls had a brilliant day at the Knockout Football on Wednesday 28th August and the Primary Touch Carnival was a busy but great day with the Elite Boys taking out the top honours. Unfortunately the SAPSASA KO Soccer Team went down in a close Semi-Final against All Saints at Seaford. Thanks and well done to all involved in these events.

There are lots of Clinics and Sporting Club tryouts being run over the School Holidays – for full details, please check the most recent Sports Newsletters which can be found on the College Intranet. PICS: Yr 8/9 Girls KO Footy, Elite Boys Touch Team.

Congratulations and good luck!

Well done to Jessica Patterson (8T) who has been selected to represent Secondary School Sport SA at the forthcoming School Sport Australia Diving Championships held here in Adelaide 8-14 September. Go Jess!

Thursday – 8am to 9pm, Saturday – 8am to 5pm, Sunday – 9am to 5pm

Suzuki Piano and Harp Lessons
Suzuki teaching is a highly specialised approach to music education. Students learn in a fun way which nurtures a love for music, while developing concentration, memory and reading skills. Teaching may begin from 3 years old.
