Choosing future subjects

Know what you need

Many students are unsure about which subjects to choose. The most important thing is to pick subjects that you're interested in and capable of doing. Your subject teachers have started to look at your results and are making recommendations based on what you have completed this year. Please use these recommendations to help guide your choices. Never choose a subject just because friends may be doing it or because you think a particular teacher might be taking the class.

Need help deciding what to study?

Think

Think about your interests and career aspirations. Your VIQ has suggested some careers that you may be suited to and courses that relate to those careers.

Ask

Talk to your family, friends and teachers about your plans and get feedback from people you may know who work in your area of interest.

Attend

Attend Career Expos, Open Days and Subject information evenings at the College and Tertiary institutions that you might be interested in. Our subject information evening for parents is on Wednesday 22nd July at 7pm in St Dominic's Hall.

Explore

Explore the web and printed material for information on career choices, pathways and courses.

Talk

Call, visit or email your subject teacher, YLC, Curriculum coordinator, VET and Careers coordinator, SACE coordinator or Deputy. Appointments to discuss this in further detail can be made by calling the Senior School office on 8179 2466. Email addresses of all staff are created in the same way with the first initial then surname@cabra.catholic.edu.au eg. Nicole Laube is nlaube@cabra.catholic.edu.au

Please submit your Cabra SACE Provisional Course planner with the recommendations attached, to your home class teacher by Wednesday 5th August (Week 3).

Interviews are available on Wednesday 19th August from 3-7pm. Please call 81792466 before Wednesday 5th August to confirm an appointment time if required.
