Well the weatherman was definitely not kind to us this year! With predicted rain and afternoon thunderstorms forecast we were all hoping the rain would stay away, however unfortunately the rain began to fall from mid morning. As the cloud cover increased, so did the rain and unfortunately the city touch parklands soon were a pool of water and mud. As 120 primary students, consisting of 12 teams, 1 elite females team and 1 males elite team and 18 Year 9 student coaches took to the fields energy was high and it was clear all students were set for a day of action playing touch. As the students were excited by their teams winning and scoring tries it was amazing to see their enthusiasm and energy still continue despite the miserable weather. As the weather set in, the field became increasingly slippery and water logged and city touch decided to cancel all games from 1pm. Well done to all primary students on their efforts throughout the day, it was fantastic to see the students work together, improve their skills and knowledge of the game. Congratulations to the boys elite team who won their round robin games and made it to the semi finals. Thanks to Michael O’Dea for coaching the elite teams and for his work training the teams before the carnival and organising teams. A special BIG THANK YOU to all the Year 9 students who coached, umpired, set-up/packed up and still supported without whinging in the miserable weather, credit goes to you all. Shannon U, Riley G, Nathan C, Peter W, Liam O’D, Nick H, Cailen H, Tom D, Kyle D, Ryan W, Ella S, Kirah W, Sarah C, Georgia C, Sophie H, Georgia C, Chloe L, Tiana F, Isabella C. A BIG THANK YOU also to all the staff who supported: Rob Jarrad, Sandra Ciccarello, Chris Peters, Nectaria Granleese, Kyerin Grundy. Kara Smallman: Sport Coordinator.
8/9 Girls Football

Week 6 Thursday 27th Aug saw 12 enthusiastic Year 8 and year 9 girls take to the footy fields. The girls were coached and trained by Joel Morizzi and John Foster (old scholar) so a big thank you to them both for their efforts before the carnival and on the day of the carnival. All girls were highly excited for the day and couldn’t wait too hit the field for their round 1 game against St Peters. With a jam packed program it meant there were no byes for the girls, which wasn’t ideal however all girls continued to play hard. They came out firing in their initial games kicking a number of goals and sharing the ball around to all members nicely. As the sun was shining, energy started to decrease and the girls were slowly becoming a little fatigued. Unfortunately, after experiencing a few injuries we were down a few girls, which meant the remaining 9 girls needed to bring the girls home. Credit to the girls still standing and the girls still supporting on the sidelines, we finished strongly with a win against Concordia 2 which was a fantastic game to finish an exhausting day. Well done and fantastic effort to all girls who participated. Thanks again to John Foster for coaching and for Chris Peters for coming along as support teacher for the day.

Squash

Yr 9 Mixed Squash lost to St John’s 1, 1 matches to 3. Well we didn’t take home the flag, but I think it is safe to say that we are not disappointed with runner up after a tough grand final - we went down fighting. It is a privilege to have coached this team through the 2015 season, seeing them improve and continue to enjoy squash and sport in general. I’d like to send my gratitude to each member of the team, the parents, Cabra Sport Office Members, Somerton Squash and Squash SA for making this season possible. It has once again proved to be a rewarding experience and I look forward to see what we can do next season. Leigh Symonds: Squash Coach.
