Term 3 – we have much to be thankful for

As a member of a large and appreciative audience at the Catholic Schools Music Festival on Monday night I found myself reflecting upon the fact that we have so many things to be thankful for as we come to the end of Term 3. As you can imagine, the Cabra musicians were magnificent. Indeed, the variety of performances from Cabra students on Monday night provided a fitting tribute to the diversity of students’ interests and abilities that characterises life and education at Cabra.

In this final Newsletter for the term it is a pleasure to note that as teachers and support staff, we are very pleased with the efforts and achievements of our students over the last ten weeks. While it is unrealistic to imagine that everyone might have achieved their goals in all areas of study and extracurricular activities during this period, it is true that every student has made real progress in his or her growth into adulthood.

Knowing that learning is a lifelong project we look forward to the challenges of the future and the many opportunities to perfect the things we haven’t quite mastered yet. With this in mind I encourage parents and students to read the reports as a snapshot of a student’s progress at this particular point in time. As teachers we hope that the feedback from reports will make a difference.

College Shop and other changes

You will find a copy of a letter sent to families recently, regarding changes to our college shop page 3. The new arrangements also mark the start of the next phase of development here at Cabra with construction on the new St Mary’s Unit and refurbishment of the St Catherine’s wing to commence before the end of the year. These will be followed immediately by the renovation of the libraries to create a new library and services hub adjacent to the current senior school library.

With plans well under way for both projects we look forward to sharing some architects’ sketches of the finished project next term. In the meantime we have a small team of people working to ensure that the building works over the next eighteen months cause minimal disruption to teaching and learning.

After another busy term we look forward to the change in routine that comes with holidays; especially with the onset of warmer weather and more hours of daylight. During the vacation most of our Year 12 students will be making good use of the time to complete the last of their major assessment pieces and preparing for examinations early next term. With this in mind we wish them well for this final stage of their secondary education as they come away from the experience more hopeful and having seen that our local actions really do make a difference.

Church in Action

Our annual Church in Action Days for the Year 10 students is always something of a highlight at the end of Term 3. Over the last few days of term our students visit the following places and organisations in order to gain a deeper understanding of their important and life-changing work right here in Adelaide.

- Centacare, Hutt Street Centre, Catherine House, Louise Place, Caritas, St Vincent de Paul & Fred’s Van, The Vincentian Centre.

Every year our students are inspired by the work of the people in these organisations and come away from the experience more hopeful having seen that our local actions really do make a difference.

Best wishes for the holidays.

Brian Schumacher
Principal
STUDENTS LEAVING CABRA

If your child/ren will not be returning to Cabra in 2016 the Registrar must receive notice in writing.

Please email abooth@cabra.catholic.edu.au

LAST DAY TODAY – Friday 25th September 2015.

A minimum of one full term’s notice must be given.

Thank you for your understanding and cooperation.

Amber Booth, Registrar

Adelaide Convention Centre
18 September 2015

Dear parents and friends of Cabra

I am pleased to announce that Cabra Dominican College and JS Sports have entered into an arrangement for JS Sports to sell the Cabra Dominican College uniforms in their new premises in Little Street Cumberland Park. With more space, better parking and extended trading hours we believe that JS Sports will offer an even better service for Cabra families.

JS Sports has been a supplier of Cabra uniforms for several years and currently supplies the majority of the sports uniform. Under the new arrangement JS Sports will continue to use most of the College's other current suppliers ensuring the consistency of uniform quality and availability.

The College, JS Sports and Mara Bogisch (the current uniform shop manager) are pleased to announce that Mara will be the new JS Sports Shop Manager. While Cabra Dominican College will be the marquee client for the shop, many parents will in the future enjoy the convenience of being able to purchase a range of local primary school uniforms at the same location.

The College and JS Sports wish to assure families of the College that the majority of current services offered will be maintained including (but not limited to)

- Second Hand Uniforms
- Use of the QRt to order uniform. Please note in relation to the QRt system and to alleviate concerns parents may have of students having to go to the Little St shop, we have arranged for goods to be delivered to the College for pick up and the days of the shops operation Monday, Wednesday and Friday (exact details of time and location for pick up will be advised)
- Sport uniform hire (which operates for a few teams) will continue to be managed and operated from the College.

Cabra Dominican College, JS Sports and Mara Bogisch are excited by this opportunity that benefits all parties and are committed to ensuring the current level of service is not only maintained but improved. The final operating hours, contact phone numbers and emails will be published in the Cabra Newsletter and on the website in the coming weeks.

The JS Sports Uniform Shop will commence from the new premises on Saturday 10th October (Saturday before Term 4 commences). The last day of trading at the College will be Friday 26th September.

Thank you for your ongoing support.

Yours sincerely

Brian Schumacher
Principal
UNIFORM SHOP CHANGES

GRAND OPENING!

NEW JS EXPRESS CABRA UNIFORM SHOP

Come and celebrate with us!

* Saturday 10th October 2015
* The new shop will be open 8.30-11.30am
* Corner Little Street & Goodwood Road
  Cumberland Park SA 5041
* Free sausage sizzle!
* Meet the Uniform Shop Manager
  Mara Bogisch and the JS Family

The new shop is just 400m from the college!

JS Sports Pty. Ltd. was founded in 1987 and began manufacturing uniforms for schools and clubs in the Northern suburbs of Adelaide. By 1994 we were operating at our warehouse in Salisbury South and by the year 2000 we had relocated to a purpose built, 2000 square metre facility.

Over the years we have grown to the point where we have a team of over 35 highly skilled employees. We are an industry leader in the school and sportswear market place and all using our very own embroidery, printing and manufacturing equipment. JS Sports is recognised nationally as a major uniform manufacturer and supplier.

Our company is still owned and operation by John & Savina Sicilianio whom have built their business on the ethics and structure of a true family business.

Contact JS Sports for further details: sales@jssports.com.au

Oliphant Science Awards

By Fiona Graff

The Oliphant Science Awards is an annual competition for South Australian school students from Reception to Year 12 to develop their interest in science through a science based competition with a range of categories to suit a wide variety of abilities and interests.

It provides students with an opportunity to expand their scientific literacy, by showing interest and understanding in the world around them and engaging in discussions about science. This year we had several Year 6 and 7 students who committed to the competition and met weekly at Friday lunchtime to plan, make and review their entries. Congratulations to these students for their commitment and interest in the competition. A special mention goes to Grace A (Year 6), who received a Highly Commended Award for her Science Writing piece titled “CSI Dirt”.

Other participants that deserve recognition include:

- William S .................Crystal investigation
- Brittany A, Laura S....Games
- Alice G .....................Posters
- Mia M-K ....................Science Writing
- Lucy T ......................Photography

SA Schools Chess Championship

By Donya Elhaee, (Year 9)

On Tuesday 15th of September the Cabra Chess Team attended the SA Schools Chess Championship at Southern Vales Christian School. It was a primary and secondary competition with approximately 120 students.

Earlier this year I emailed Mrs Willcock about organising a chess club and after talking to Mr Bull it was decided to play every Tuesday in Senior Library and Thursday in the Media room. Extra chess sets were purchased and students have enjoyed playing chess.

Danial started to teach students how to play chess.

Danial learned of the SA Schools Chess Championship in Term 3 and a team of five players were entered. The team was Akshobhya P, Shaun E, Jack C, Daniel E and me.

Mrs Willcock and Mrs Crawford supervised us during the day. We played 7 games that were 15 minutes long against 3 secondary schools and 4 primary schools. Cabra won overall and we also won the Secondary Championship. I won the best player in secondary and the best female player. The rest of the team were awarded distinctions and high distinctions.

Next term we play in the super finals against secondary students only. This will be harder and we have to practice more but we’ll enjoy the challenge.

AMC Results

By Isabel Heath, Mathematics Coordinator

On 30th July two hundred and fifty Year 6 – 12 students participated in the Australian Mathematics Competition. Congratulations to the students listed below for their achievement in the competition. A further 75 students attained a Credit for the competition.

HIGH DISTINCTION

Year 10 Harrison B

DISTINCTIONS

Year 7 Anthony O’D
Year 8 Tate W
Year 9 Sophie McC
Year 10 Madison C
Year 11 Matthew T
Year 12 Anthony C

Prudence Award (Awarded for answering correctly the most number of consecutive questions) Madison C

Thermomix Raffle Winner

By Ros Patterson

Thank you to everyone that purchased a ticket in the Thermomix raffle. The winner was Narelle Honan. Narelle has a son at Cabra in Year 6 who picked the number 40 for his mum. He said he picked 40 because that is her age! I don’t think she will mind why he picked the number as she is now the proud owner of a brand new Thermomix valued at $2089. Congratulations Narelle.
Imagine a time in the future. There has been so much information stored on the internet that there is no longer any more memory space. The only way to add new information is to erase part of history. The world has agreed to remove certain historical figures by voting them off in a TV game show. It is the role of your team to design a suitable ‘reality-type’ show and to choose three important figures from history to erase and show the consequences of your choices.

Does this sound intriguing? Well, this was one of the long term challenges faced by two of Cabra’s 2015 Tournament of Minds teams.

Cabra’s other two teams needed to rewrite one of the children’s books penned by Australian author Blabey in order to show the consequences of a blabbing character who has told the ending of Blabey’s book.

Students worked in groups of seven, from different year levels, to produce of a ten-minute play including scenery, costumes and props to solve the chosen problem and reveal their solution in front of a live audience and judging panel.

All four Cabra teams successfully completed their challenges with enjoyable, enthralling and creative productions. Among the talents on show, our students demonstrated their ability to sing, dance, recite poetic lines, use accents, amuse and entertain. They also showed incredible energy levels, persistence, dedication and teamwork. They all received very positive reviews from the judges. Cabra Team 3 received Tournament Honours.

Our Cabra Teams
2. Chloe M, Abbey F, Teagan Del T-D, Joshua C, Joseph S and Bill D.
Library News

“Keep reading. It’s one of the most marvellous adventures that anyone can have.” — Lloyd Alexander

We’ve had quite a few adventures this year, starting with the purchase of books we were able to buy with points earned from the Scholastic Book Fair which coincided with Grandparents and Special Friends Day on the last day of Term 2. In all we had a total of nearly $500 worth of rewards where the students were able to choose books for the Middle School Library.

Book Week was fantastic this year with the theme ‘Books Light up our World.’ The Year 6 to 8’s were invited to come to school in costume with the theme in mind. We had a costume parade at lunch time with Mr Schumacher awarding prizes for the best costumes voted by the students in the audience. A number of staff dressed up in costume on the day so the school was abuzz with characters galore! This term we had local author Tarran Jones, from Collins Bookstore Edwardstown come in to talk with our Year 8 students who were writing their own fractured fairy tales. Tarran spoke about her story and how she went about fracturing it. She also gave them tips on how to come up with ideas and how to develop an original concept for a story.

Premiers Reading Challenge (PRC) has now come to an end and we had a record amount of entries this year. We had an increase of over 200% of students participating this year with many students completing more than one page of books. One of our readers has managed to complete over 24 pages worth of reading! As is customary with our PRC readers, we will be hosting a morning tea for them.

Sport News

CELEBRATING SUCCESS

Congratulations to Jamie R (12Y) who has been selected to represent Secondary School Sport SA at the School Sport Australia Boys Football Championships being held here in Adelaide at the end of November. Good luck!

REMINDER

Thursday 29th October
2015 Whole School Sport Awards Evening—Calareuga Hall—5.45-9.00pm

PLAYERS NEEDED

We are low on numbers for the following sports in Term 4 – any interested students should come to see us in the Sport Office if they are interested in joining a team. Yr 8 Boys Tennis, Primary Girls Basketball and Primary Cricket.
Music News

The Cabra music department has had a wonderful time at the 2015 Catholic Schools Music Festival. It is a privilege to perform at the Festival Theatre and a number of our ensembles and solo artists had the opportunity to perform on stage and in the foyer with some students performing every night. A big thank you goes to Sarah Heaslip for coordinating all the arrangements for us to be able to attend and perform, Saz Burton, Rob Boundy, Renee Donaghey, Sam Cagney and Russell Burton for their support to students and ensembles performing. I was extremely proud of all who participated. Congratulations.

Please be reminded that there are performances in the holidays and early next term. I hope you have a wonderful holiday and a well earned rest.

Calendar of Events

Please continue to check the calendar of events updated in each newsletter, your emails, information from Ensemble Directors and the music notice board located just outside the Music Office for detailed information regarding upcoming events.

**Deputy Principal Middle School Update**

Thank you to all the parents and students who took the opportunity to meet with some or all of their child’s teachers at our Learning Review meetings last week. Watching the number of conversations taking place during the day reinforced in my mind how important these discussions are in establishing relationships with the key stakeholders, all of whom, help and shape the level of success that each student is capable of. It is also a great time to connect with parents and further understand the challenges, and experiences that our students are exposed to in their lives. We can then offer constructive feedback, encouragement or congratulations, in an attempt to set the student up for success. With reports coming out on Friday it is the perfect opportunity to set some goals for the final two months of the school year.

Ms Foti’s Year 7 class have been running stalls at lunch time this week as part of their business unit in HASS. It has been terrific to see a group of entrepreneurs making, buying, marketing and selling their products throughout the week. The hands on learning and real life experiences were extremely well received by the students and they looked like they thoroughly enjoyed the experience. I may also need to do some extra sessions in the gym this week to burn off some of the calories I have consumed!

Congratulations to all students who participated and were rewarded with fantastic results in the recent Oliphant Science Awards and Tournament of the Minds competitions. Many hours of preparation were put in and both competitions provided numerous learning experiences for the students. They represented themselves and the College extremely well.

Finally I would like to wish all students a safe and enjoyable holiday. I look forward to what Term 4 will bring.

Regards, Jason Thur, Deputy Principal – Middle School

---

**Student Comments on REFLECTION DAY**

- Reflection Day was a great idea because it was a nice, relaxing day where we didn’t think about school work. The best thing about the day was meditating because it was so calm and we managed to forget about everything. I would definitely do this again, it was a great experience – *Ben G and Ezequiel G P 7 Gold*

- We thought Reflection Day was really good. It gave us an opportunity to have a deeper connection with God. On Reflection Day the focus was compassion. We learnt that compassion means that if we see something bad that might be happening to someone we actually do something to help those people. Overall the day was really relaxing and filled with fun activities. We really enjoyed the day. We would like to thank Ms Russell and Ms Graff for organising the day. – *Mikayla P and Sophie B 7 Gold*

- Reflection Day was a lot of fun because we got to do lots of activities and we had lots of peace and relaxation time to think about Yr 7 at Cabra. We found it really nice that we were allowed to go to the Sophia Garden as part of our meditation walk. Our favourite part of the day was when we made rosary beads. It was a very nice day to think about our lives. – *Ellie G and Jana R 7 Gold*

---

**YEAR 7 REFLECTION DAY**

*By Fiona Graff and Sarah Russell, (Middle School Religious Education Co-ordinators of Curriculum)*

- Are YOU a True person?
- What does it mean to be True person?
- Can you be a true person without paperwork, such as birth certificates?
- Do you agree you are a true person when others see you?
- Have YOU ever felt unseen?

Our recent Year 7 Reflection Day, Walking with Dominic, challenged children to think about themselves, their identity and their beliefs. The students were invited to reflect on the way they see people in our community and in particular how do they see the ‘unseen’ people in our world such as the homeless or refugees. Sister Bernadette Kiley OP encouraged the children to see compassion with a sense of imagination. Imagination to empathise how the unseen people in our communities feel and imagination to think of ways support and help them.

Our walking mediation and the making of Rosary beads allowed children to contemplate varied strategies to meditate and explore their Catholic Identity.

We were most grateful to the Year 7 children and their openness to the day.
**2015 Archbishop Awards**

The Archbishop Awards for ‘Excellence’ were held last Sunday evening at St Patrick’s Church. Matthew Taverna (Year 11) and Eleanor Gardner (Year 12) were the 2015 recipients of this year’s Award.

The Archbishop Award formally acknowledges the personal qualities and gifts of our students and their personal service to the school and their local communities.

**College Captains Governor’s Presentation**

On Tuesday evening this week the College Captains, Madison Terrell and Tom Murdock attended a special Leadership Presentation at Government House. His Excellency The Honourable Hieu Van Le AO was the key presenter for the special gathering of student leaders from across each of the three sectors of education in South Australia.

**2015 College Captains and Vice Captains**

Earlier in the week I took the College Captains and Vice Captains out to breakfast a gesture of thanks for all of the work they have done this year to support the College community. It was a wonderful opportunity to take time out of the business of the last week of the term and to talk about their plans for the future and the highlights of their time at the College.

Our College Captains Madison Terrell and Tom Murdock along with our College Vice Captains Eleanor Gardner and Harrison Telford have all been outstanding in their individual roles this year.

**Year 12 – Term 4**

The first two weeks of Term 4 students will have normal lessons. This short, but invaluable time will be spent completing course work and assessment tasks, while also preparing for final examinations. The students will also discuss how they can contact their individual subject teachers during the SWOT VAC period.

**Key Dates for Term 4, 2015**

**Thursday 22 October**

Year 12 Family Eucharist will be held at 7.00pm at St. John the Baptist, 342 Anzac Highway, Plympton.

**Friday 23 October**

Farewell Assembly followed by Day on the Green celebrations at the Marion Swimming Centre, Oaklands Road, Park Holme.

**Wednesday 25 November**

Presentation Dinner will be held at the Endeavour Homes Pavilion, Morphettville Racecourse.

**Monday 7 December**

Cabra Celebrates will be held at the Adelaide Convention Centre, North Terrace.
