Congratulations to the Primary Knockout Soccer team who have again progressed through. It was a perfect morning for Soccer on Thursday 2nd June and the boys put Westbourne Park through their paces. Final Score 5-0. Goals: Jakob R, Spencer P, Oscar S, Peter L, Own Goal! Thank you to Coach, Umpire and Photographer, Mr Joel Morizzi for his efforts on the day!

The weather was not kind to the Primary Knockout Netball Team later in the afternoon on Thursday. The girls were still pumped and excited to play St Peter’s Woodlands. It was a low scoring first half on a very wet court. Players were tentative at first and the scores were even at half time 9 all. The second half saw St Peter’s Woodland’s confidence build even as the rain continued to come down. To Cabra’s credit, the girls kept fighting to the end. Final Score 16-26. Thank you to Coach Mrs Deanna Riley who looks forward to following these girls throughout their Cabra netball years.

Cabra drew 26-26 with Mitcham this morning before going down in an extra time playoff. The boys gave a great four quarter effort in a see-sawing battle. It was a tight contest with lots of contested football in the first half. However, Mitcham threatened to run away with the game in the second half taking a two goal lead in the third quarter. But Cabra was not finished and showed tremendous resilience to fight back late in the last quarter and level the scores. In the extra time that was played, Cabra had opportunities but were unable to convert and Mitcham ran away with the win by 2 goals. All players represented the school well and demonstrated great competitive qualities. It was a difficult match to pick best players as there was an even spread of contributors. However, standout players included Zac C and Cooper T for their strength and rebound from half back, Ben R for working hard all day and Daniel M for showing tremendous strength and courage all game. Thanks to Mr Rob Jarrad for his assistance. Mr Henry Whiting: Coach.

Best: Nick C, Callan, Jakob, Angus, Aistis. The boys progressed in their development from last week. Kicking the first goal of the quarter and starting to find the right balance in the positions of the players around the field. Nick did a lot of gut running, tagging and kept to his reputation as one of the hardest tacklers. Callan led the forwards with his hard hits in the marking contests, roving his own ball and finishing off with a bag of goals. Was great seeing Jakob out there for the school providing pace, breaking the lines and making the opposition worry. Angus was great in the ruck and solid in defence, showing his versatility around the ground. Ais had another great game rarely beaten. Tristan, Cooper and Simo showed great heart and improvement contesting and winning their ball. Todd was strong on the ball and stood up in defence when called upon. This team has a lot of talent and are developing together to become a dangerous unit to play against in this competition. Alek Berry: Coach.

Yr 8/9 def Pulteney - 18.10.118 to 3.2.20. After a brilliant opening, with a dominant centre square and forward line Cabra led 7.1 to 1.0 at quarter time against Pulteney, who had beaten us last year. Dan V, on his birthday, already had four majors on the board. Another strong showing in the second quarter had the game over as a contest, and all that remained was to continue to work hard and finish off the game strongly 12.4 to 1.0. After a slight lapse in the 3rd, a solid three quarter time discussion resulted in a very different attitude in the last with 11 scoring shots to 0. Unfortunately, some simple goals were missed, and a brilliant quarter became a very good quarter.

Best: All played well for 3 quarters. Goals: Dan V 5, Tom C 4, Angus P 2, Tom A 2, Pat O’D 2, Bailey L 1, Joel C 1, Will H 1.

Middle B def St Ignatius 7-6. Well done!

Middle C def St Paul’s 4-1. Great team effort!

Middle D def by CBC 1-8. This week we had a few more players, and in the first half the substitutes made an impact as the team was able to spend more time in our forward half and threaten the goals on a number of occasions. We still need to work on our team defense and limit ‘ball watching’ when we need to mark an opposition player, and have the closest player close down the opposition with the ball rather than waiting for player or ball to come to us. Shane Pill : Coach.

Yr 7 def by Pembroke 2-5. The boys did well and put up a good fight—hopefully a better result with a full team this week.

Primary Black def by St Michael’s 5-6. The team put up a great fight, bad luck! Goals: Jakob R 2, Josh M 1, Michael M 1, Christian K 1. Best players: Christian K, Anastasia W, Samantha H.

Primary Gold def Pulteney 7-0. Goals: Thomas, Oliver, Peter. Best player: Oliver.
