On Thursday 25th August the Yr 8/9 Girls’ Footballers were excited to attend the Southern Zone Girls’ Football Carnival. All players had a fantastic day, learning a lot and bonding with one another. Two teams were formed and played several games over the day—both teams really enjoyed the experience. Mr O’Dea’s Team won every game for the day and doubled Brighton High’s score in the Grand Final to be crowned Champions—well done girls!! Mr Zandona’s team also had a great day and learnt a lot about the game and enjoyed the day immensely. Thank you to Mr Michael O’Dea and Mr Flavio Zandona for taking the girls.

A BIG congratulations to the Year 10 Knockout Netballers who are the State-wide KO Champions after a fantastic finals day on Monday 29th August. The team lost Emily B to injury and arrived at Priceline Stadium with 10 players ready to go! Every player stepped up and contributed very strongly. Cabra won every quarter during the day to secure a third Grand Final victory for Cabra winning in 2013, 2014 and now 2016! Even the announcer mentioned this at the presentation. Well done girls and thanks to Coaches Eddie Janmaat and Ms Deanna Riley and Ms Katherine Perkas for assisting on the day.

**Soccer**  
**Yr 10** def by St Pauls 0-3. An even game in which we failed to close the deal on our chances. Jack, Ethan and Kai provided plenty of options up front, along with Max later in the game. Hayden, Joe, Max and Daniel provided some good linkage in the mid-field out of defence (Joe made several important clearances also). Luke, Ryan and Ben were fast across the field, Defence was held together by Sam C, Nqobile, Sebastian N and Sebastian K and Nick. Sam S was again our brave keeper risking limbs against some of the enormous St Pauls players. I have been impressed by our strength as a team throughout the season, with players arriving before the game to stretch and warmup, and a good sense of camaraderie and a convivial and often jovial nature. Keep training, keep improving, keep having fun. **David Kilmartin: Coach.**
