Dear Parents and Caregivers

RE: End of Year House Celebrations, Term 4 2017

Recognising the contribution and achievements of all students is an important part of our end of year celebrations. With this in mind, we have been reviewing the format of Cabra Celebrates to ensure that our celebrations are meaningful for our entire community.

Following the successful introduction of the new House structure this year, we have decided to stage Cabra Celebrates over four consecutive nights. While we are looking forward to taking advantage of new opportunities to acknowledge and celebrate student achievements, our House celebrations will continue with some of the best features of Cabra Celebrates from recent years.

Given the planning that underpins such events and their focus on recognising the contribution of each young person in our community, it is vital that all students attend their House celebration between 7pm and 9pm on the evening scheduled. The House celebrations will be held at Cabra.

- Cabra celebrates Boylan House Monday 4 December
- Cabra celebrates Kavanagh House Tuesday 5 December
- Cabra celebrates Moore House Wednesday 6 December
- Cabra celebrates Murphy House Thursday 7 December

Please save the date for your child's / children's House celebration, we look forward to providing you with more details about these events early in Term 4.

If you have any questions about these events, including our annual sports night and music showcase, please do not hesitate to contact Mr John Cameron. As our Deputy Principal for College Operations, John is responsible for overseeing each event.

Yours sincerely

Brian Schumacher
Principal
