

LEARNING

YEAR 7 – 12 CURRICULUM

CORE, COMPULSORY AND ELECTIVE SUBJECTS

The wide range of subjects offered in Years 7, 8 and 9 enables students to sample all areas of learning and help them to make informed choices in Years 10, 11 and 12 about their learning and future pathways.

We recommend that each student takes advantage of the opportunities provided by the broad offerings of the Co-curricular Program. The positive outcomes of such involvement may include getting fit, developing a new interest, developing new skills and getting to know others.

For more information on the Curriculum please contact the Learning and Teaching team LearningAndTeaching@cabra.catholic.edu.au or phone 8179 2400.
