ALUMINIUM CARPENTRY APPRENTICESHIP EDWARDSTOWN

Career Employment Group Inc is seeking applications for a **Aluminium** Carpentry Apprentice to work with our skilled and valued Host Employers in Edwardstown.

This is a **Full time** position. As an apprentice you will undertake a Certificate 3 in Carpentry, this is a 4 year apprenticeship. As an apprentice you will learn on the job to become a skilled and qualified carpenter.

What does a Carpentry Apprentice do?

The main role of a carpenter is to construct, erect, install, finish and repair structures and fixtures on residential and commercial buildings. You may also undertake the following:

- Efficiently operate tools provided to cut aluminium as per cutting sheets provided
- Efficiently glaze where required
- Efficiently fabricate as per cutting sheets provided
- Ensure material supplied are of high quality and no damage is visible.
- Assist production manager with daily operations of the aluminium and glazing fabrication division.
- Participate in training as required
- Conform & abide by company policies and procedures including OH&S
- Will be working inside factory to make aluminium objects that get sent to commercial sites.
- Will also have the chance to go out onsite and install object made in factory.

Apprentice Requirements:

To be considered for these apprenticeships the following is required:

- Willingness to learn and develop new skills in this trade
- Physical fitness and the ability to undertake manual labour for extended periods.
- Be a safe confident worker, enjoy practical and manual work
- Willingness to travel
- Be able to use initiative and communicate well to work in a team
- Hold a current drivers licence and have own vehicle.

How to apply:
