Please note the 2023 application forms may not be available on this site until December 2022 or January 2023. We recommend applying online at the link above.

FAMILIES EXPERIENCING FINANCIAL HARDSHIP

- We encourage any family experiencing financial hardship to make contact with our Family Finance Officer and/or the Business Manager via fees@cabra.catholic.edu.au to have a confidential discussion concerning your personal situation. We have a structured process in place whereby families can provide evidence of financial hardship to access an appropriate level of financial support.

STUDENTS LEAVING

- When a student leaves, the family must provide the College one term's notice. An Admin Fee of \$500 will be applied when this notice is not given. Tuition fees will be adjusted to reflect the number of weeks tuition is provided for the year.

ABSENCES

- Payment of school fees is still required where a student is absent from school for any length of time.
- A student who temporarily leaves the college for a minimum of a term and wishes to return to the college will pay a holding fee of at least 50% of the fees applicable during the student's absence.

VET COURSES AND OTHER EXTERNAL STUDIES

Students may undertake Vocational Education and Training (VET) courses or study other subjects not offered by the college (e.g. Open Access, School of Languages) and earn the credits required to achieve their SACE.

If the VET course is:

- in addition to SACE subjects (i.e. the student maintains a full load plus a VET course) then the full cost of the VET course will be the responsibility of the parent/caregiver.
- an alternative to a SACE subject offered at Cabra, the college will contribute up to \$1,000 per semester. Some circumstances will require the parent/caregiver to pay the external provider upfront.

PART TIME STUDENTS

An adjustment to fees for part-time students will only be made if a student has reduced their subject load significantly, and at the discretion of the Principal, the Director of Learning and Teaching and/or the Business Manager.

FEE PAYMENT METHOD

Each family is required to enter into an annual payment plan by Friday 24 February 2023 for their total tuition fees. Ensuring fees are paid in a timely manner enables Cabra to provide the highest level of education, support and service to your child(ren) and family.

A) Periodic Payment Plan

- Weekly (x 52)
- Fortnightly (x 26)
- Monthly (x 12)

Payments are spread over the entire year, from January through to December; or

B) Upfront Discount

SPLIT FEE ACCOUNTS

Family accounts will only be split if a court order is in place specifying how fees are to be paid.

Family accounts will be billed as per the enrolment application process. Where this represents a separated family the college expects the enrolling parents/caregivers to arrange payment plans between themselves ensuring all fees are up to date at the end of the year.

DEBT COLLECTION

Debt management for outstanding tuition fees should be based on positive and respectful relationships between the college and the parent/caregiver. Our college is committed to working with every family to support the education of their children at Cabra. We understand that families have different financial circumstances, and we work with them to negotiate fee payments which are fair and equitable to all parties (the college and the family). The effectiveness of our approach depends on the mutual ongoing commitment and regular communication for any changes in circumstances.

When a family is unresponsive to the reasonable efforts from the college to collect fees and charges owing, the account may be referred to a debt collection service. All associated costs will be borne by the family as per the terms and conditions on the enrolment application process. Where there is a change in circumstance of a relationship status, parties who are signatories will still be liable jointly and severally for their tuition fee account.
